Here is an [Amazon link](#) to some headphones that would work well. They come in a variety of colors.

### Labeling instructions:

- Completely unpack the headphones and take off any twist ties and plastic pieces that may be used in packaging.
- With a permanent marker, please write the first and last name **ON** the headphones.
- Place headphones in a Ziplock type bag. Please make sure the headphones can easily be put in and taken out by your student. Headphones like the ones above fit best in a gallon size bag. Earbuds and other small headphones fit well in a quart size bag.
- With a permanent marker, label the outside of the bag with first and last name, grade, and teacher's name.
