956-969-6503 319 W. Fourth Street / P.O. Box 266, Weslaco, TX 78599-0266

Weslaco ISD Family,

We have an update. Today, the Hidalgo County Local Health Authority issued an Order. In the Order, all public and private schools will not be allowed to offer on-campus instruction or school-sponsored events and activities until after September 27, 2020. A copy of the Order is attached for your information and reference.

Weslaco ISD continues to prepare for the new school year. Our teachers have been successfully using Google classroom for years and are prepared to provide engaging remote instruction this upcoming school year.

In the next few weeks, we will be working with teams to continue our planning for the new school year. We will also be reaching out to our parents about access to the internet and technology devices. It's important that all our children have access to remote learning opportunities.

We encourage everyone to practice all guidelines issued by the Centers of Disease Control (CDC) so that we can come together again soon. We miss our students, our staff, and our families. Please take good care.

Sincerely,

*Dr. Priscilla Canales*
