7. Some states have re-opened slowly with certain grade levels in-person to maintain social distancing (a smaller number of students in each classroom, spread out over multiple schools) and other grade levels learning remotely, with the intention of bringing all grades back into schools over a period of time. If that is the case, I prefer that...

9. If there is a hybrid model for instruction and I were to send my child to school, the following are the most important priorities for our family (Please use the arrows to rank the responses in order of importance. Note that schedule consistency refers to the same days each week. Siblings would be placed on the same schedule.)
