

Good morning!

We have had such fun celebrating our seniors! We are glad the weather has cleared up for everyone this morning. If you were unable to stop by yesterday, we hope to see you today between 8 am and 10 am. Below is the information to view the graduation ceremony tomorrow night.

SM Northwest families have two different options available for viewing graduation: you may watch it on your cable channel (Spectrum Cable or Consolidated) or stream it via a YouTube link (which will become live at 8:00 pm on the 16th.) You will also be able to download and save it to your computer to view later. Here is the schedule, along with the YouTube link.

July 16th, 8 p.m. SM Northwest

Spectrum cable ch.2; Consolidated cable cn.18

SMNW - Thursday at 8

<https://youtu.be/VGwRVqbEsyw>

We will also have the links available on our website and SMSD website, and will share via social media.

I will send information from the photographer on Friday afternoon. That link will include photos of each graduate in their respective folders. If you want your photos private, please reply to the photographer **by Noon on Friday, July 17** and ask her to remove you from that folder: shawn@haleyphotography.com. We will purchase a 5x7 of each individual to gift to our graduates.

Please reach out if you have questions.

Thank you!

Lisa Gruman
