Highlights of Health and Safety Protocols

Daily check-in

- Temperature and mask check at kiosks supervised by medical staff

Campus buildings

- Students, faculty and staff wear masks, with scheduled breaks
- Classrooms with desks and work stations following 6 foot social distancing protocols
- Students eat lunch in their Block 2/6 class
- To accommodate social distancing, Weber will lease four modern, classroom modules to supplement the classrooms and large meeting spaces in our main building

Cleaning and Sanitizing

- Sanitizing procedures for classrooms and shared spaces before and after use
- Advanced cleaning of entire facility after every school day

Enhancing staffing and supervision

- Increased staff to support educational and supervision needs, including monitoring of hallways, entrance and exit to bathrooms

Campus Readiness and Virtual Learning in August

- In order to finalize preparations for **on campus**, Weber will conduct **virtual learning** from **August 17 through September 4 (first three weeks of school)** and transition to on campus learning on **Tuesday, September 8**.
- **Work requiring additional time:**
 - Completion of essential upgrades to HVAC and air flow systems
 - Installation, testing and permitting of educational modules
 - Ensuring the hiring and training of additional staff
- Following GHSA guidelines, **Weber Athletics** will continue to hold practices and workouts **on campus** during the first three weeks of school, Monday—Thursday at 3:00 p.m.

On campus learning is contingent upon status of COVID-19 and direction from FCBH and/or Governmental authorities.

Parent and Family Role

What does Weber need from students and parents to promote health and safety during the coming year?

Next Steps

- Updated parent survey
- Updated FAQs
- Detailed protocols for when students are exposed to and/or test positive for COVID-19
- Completion and presentation of Infectious Disease Plan for daily, on campus operations
