I. MISSION STATEMENT

Nazareth Academy High School is a Catholic, private, fully-accredited college preparatory school for young women, sponsored by the Sisters of the Holy Family of Nazareth. Embracing faith, family and education, we challenge each student to attain her full potential academically, spiritually and personally.

While focusing on service to God and community, Nazareth Academy High School provides a rigorous academic curriculum and varied extra-curricular activities that inspire each student to achieve academic excellence and become a life-long learner in a global society.

PHILOSOPHY OF NAZARETH ACADEMY

Nazareth Academy, a private Catholic high school for girls, commits itself to teach the message of Jesus Christ and to encourage academic excellence.

Students share their wealth of knowledge and depth of spirit in the Gospel values of concern and service, enabling them to develop an attitude of self-awareness to meet the challenges of this life while preparing themselves for eternal life.

To prepare students for further studies and for life in the twenty-first century, Nazareth Academy provides a diversified college/university preparatory curriculum. The faculty incorporate various instructional methods and educational programs that challenge students to develop critical thinking skills and to apply their knowledge. A faculty, committed to living Christian values, guide students to their future roles as mature, self-determined women of faith, strong in personal worth and self-confidence.

Challenges for growth and discernment are present as students interact with others in formal and informal settings.

To acquire the social graces and skills necessary for successful participation in an adult society, students are provided opportunities that develop cultural and aesthetic values, while encouraging originality, curiosity and creativity in self-expression.

Physical and emotional health education are critical for all students. The curriculum emphasizes the students' responsibility to maintain sound health principles throughout life and to safeguard themselves against harmful behaviors.

SCHOOL SONG

I love my school a million
It means the world to me.
A world that's joyful.
A world that's hopeful
A world that's holy and free.

I love my school a million,
for all it gives to me;
The soul's pure whiteness,
The heart's sheer gladness,
The mind's clear vision to see the truth.

O dear, my dear NA
I offer you my heart today;
To stand forever true,
To your name and to you.
Your colors I shall wear,
The brightest gold and deepest blue,
to show the world
That purity and loyalty I've learned from you.

Transfer Students: Any course earning a grade less than 75 will not be accepted for credit transfer into the Nazareth Academy High School's requirements necessary for graduation.

Nazareth Academy does not rank its students.

Nazareth Academy will issue a diploma to those seniors who satisfy all graduation requirements.

Juniors, sophomores and freshmen who fail a course must successfully make up this failure during the summer. In order to return to Nazareth Academy, a student must show evidence of a passing grade prior to the beginning of the school year.

Remediation for a failing grade must be completed by way of an online program offered through the *Arrupe Virtual Learning Institute*. Any grade earned in a summer class, that is less than 75, will not be accepted for credit. Credit remediation earned will not be given any grade higher than a 78-80(C) and will be listed on the transcript as such. A student is not permitted to repeat a course in order to simply elevate her grade.

Students with excessive absences, 18 days or more, do not successfully complete the school year until they make up the time they have missed. The administration decides the manner in which this will be accomplished.

COURSE SELECTION

At the beginning of the spring semester, students have the opportunity to select courses for the following school year. The guidelines set by the Commonwealth of Pennsylvania and the requirements of Nazareth Academy High School are strictly observed during this selection process. Changes in requests may be submitted until June. Students receive their rosters in early August. Three days are assigned for students to contact the Registrar to make any adjustments to their rosters. No credit may be earned for any course that is not fully completed. Except in extraordinary circumstances, course selections may not be changed at the beginning of the school year. Changes are not permitted after the first week of school for each semester. If for any reason a student drops a course after this deadline, she will receive a "W" Withdrawal on her report card. Regardless of the circumstance, no student will be able to drop a course one month after it begins.

Students may electronically access the Course Catalog on our website which contains a list of courses followed by a description of the course and prerequisites.

HOMEWORK

Homework extends classroom instruction and reinforces the learning process. It is an important part of every student's academic program and is given on a daily basis. Failure to complete homework assignments is reflected in the student's grades. Each student should assume the major responsibility for completing homework assignments.

The average daily time required to complete homework assignments should be between two and three hours. Parents are encouraged to take an active interest in the student's assignments.

REPORT CARDS

Report cards are issued electronically and on a semester basis according to the schedule indicated on the school calendar. Teachers inform parents of a student's unsatisfactory work and impending failure by sending a deficiency notice through the mail. This notification may be given at any time during the marking period, in addition to the required times as set by the Assistant Principal for Academics. Deficiency notices are to be signed by parents and returned promptly to the teacher by whom they were issued. A meeting consisting of parents, teachers, counselor, and Assistant Principal for Academics, will be mandated for any student receiving more than one Deficiency Report.

Any student who fails two or more courses is liable for Academic Probation or dismissal from Nazareth Academy High School.

EXAM POLICY

Nazareth Academy High School requires all students to sit for Mid-Term examinations for classes that run for an academic year and to take Fall Final Exams for classes that run for one semester.

For classes that run the entire year, Mid-Term examinations will take place during exam week in December. Final Exams will be administered in the Spring Semester for ALL classes. Any senior who has maintained an A- to an A throughout a course may be exempt from a final exam with the teacher's permission. This is a privilege granted only to Seniors unless the class is a prerequisite for a spring class. At the discretion of the teacher, students in AP classes need not sit for Final Exams. Any student registered for an AP class is required to take the AP exam.

The exam schedules are set for each academic year and it is imperative that no changes be made to the schedule. Any student who does not take her exam on the scheduled day will incur a 15-point deduction from the earned score. The only exceptions would be a conflict with a sports or music event in which the school is a participant.

Any student who misses an examination due to illness or the death of an immediate family member must provide the proper documentation to the Assistant Principal for Academic Affairs.

HONORS

Honors is determined as follows:

Honors are computed by semester for Major Courses (courses given at least three times a week).

A student has **Distinguished Honors** if she has a Grade Point Average (GPA) of 3.750 or above with no grade below a C in any subject including conduct. A student has **Commended Honors** if she has a Grade Point Average (GPA) of 3.500 to 3.749 with no grade below a C in any subject including conduct.

A senior who has earned Distinguished Honors every semester will graduate with **Distinguished Honors**. A senior who has honors every semester will graduate with **Commended Honors**.

DIOCESAN SCHOLARS PROGRAM

The Diocesan Scholarship Program is under the auspices of the twelve Catholic colleges in our Philadelphia area. The participating colleges/universities offer eligible students from diocesan and private high schools the scholarship opportunity for up to twelve college credits during senior year. At the end of the first semester, qualified juniors are invited to participate in the Diocesan Scholarship Program. (Qualified students are those who meet the criteria of cumulative GPA and academic record as determined by the Diocesan Scholarship Program). Invited interested students submit their application and essay, which are reviewed (in anonymity) by a faculty committee. The semi-finalists each have a short interview with the faculty committee and a representative of Holy Family University. During senior year, Diocesan Scholars are advised by the College Counselor and an academic advisor from Holy Family University concerning their college course selections each semester.

ADVANCED PLACEMENT TESTING

Advanced Placement Examinations are mandatory for all juniors and seniors registered for Advanced Placement Courses. Any junior wishing to advance to a senior AP course within the same department must take a qualifying exam prior to the end of the school year in order to advance.

CHRISTIAN SERVICE PROGRAM

In an effort to fulfill Jesus' command to "Love one another" every student is required to complete 20 hours of service (10 per semester) each school year.

Christian Service is an experience for each student that leads to critical learning, thinking exploration, civic learning and social justice. As Christians we are called to reach out to those who are less fortunate than ourselves as well as to those who are in need. We ask that the student extend herself outside her own family and share some of her time and talent helping others in need.

Student service must be performed through a charitable organization such as a parish, school, community group, or social service agency. It is the responsibility of the student under the direction of her parents/guardians, to find service that is worthwhile and without pay. Theology teachers will distribute necessary forms at the beginning of the assigned semester. Before beginning a service assignment, the student should consult with her Theology teacher.

All completed hours will be officially collected on a designated date each semester. Each student's teacher will assign a grade of Pass or Fail. The grade **is not** part of the Theology grade. It is a separate grade indicated under Christian Service. Students must obtain a passing grade in order to advance to the next school year or to graduate.

Students must hand in all required hours by the designated date each semester. Any student not in compliance is personally responsible for making sure her teacher receives the needed hours. There will be no hours accepted after the last day of classes prior to Mid-terms or Final exams. The student will receive an **F** as a grade for Service.

A failure in the Christian Service program must be removed by successful completion of a summer school service program to be held at Nazareth Academy High School. Failure to complete the program will result in a student being dropped from the roll of Nazareth Academy High School, or in the case of a senior, a diploma will be issued only upon successful completion of the summer program.

Important Service Reminders for Students:

- Decide what type of service you would like to perform and plan time to complete your hours.
- If it is not one of the approved organizations, have it approved before beginning your hours.
- You are responsible to call the organization of your choice to schedule your time there.
- Ask the organization to confirm the number of hours by **signing that you completed your service.**

- Turn in the forms to your Theology teacher on the date assigned. Any student who fails to meet to the deadline will receive demerits and a deficiency will be mailed home.

III. COUNSELING AND COLLEGE COUNSELING PROGRAM

The purpose of the school counseling program is to help today's students become tomorrow's leaders through aiding with emotional, physical, social, academic, college, and economic challenges (ASCA, 2016). At Nazareth Academy each student is assigned a counselor who stays with her all four years. Our counseling program is comprehensive, and our counselors strive to meet the needs of each student. While guiding them to explore their individual interests and future aspirations, we also promote confidence, self-awareness, self-advocacy, and self-care. Counseling services include individual sessions, small group counseling, career exploration, and college planning.

STATEMENT OF PRACTICE FOR ELECTRONIC COMMUNICATION

To facilitate communication with students, all counselors have access to their student email addresses. All students will keep the same email address, which is their student number @nazarethacademyhs.org, for their four years at Nazareth.

COUNSELING

To nurture an attitude of self-awareness, personal responsibility, personal decision making and potential to meet the challenges of life in the light of Gospel values, students are encouraged to develop a counselor-student relationship with their School Counselor. Counselors are available before, during, and after school hours. When the need arises or when there is a request for an appointment, a counselor is available at a time convenient to both the family and the counselor. Diagnostic and referral assistance for individual, group, or family counseling is provided by CORA (Counseling or Referral Assistance).

FRESHMAN EXPERIENCE

All freshman students except for music majors will have a Freshman Experience block as part of their college preparatory schedule. The first half of this block is a Study Skills class offered by CORA (Counseling or Referral Assistance), which allows for the students to learn about study skills, organization, and time management. The second half of the block is co-curricular and taught collaboratively by Administration, Department Chairs, and the Counseling Department. Topics such as careers, PSAT/SAT, and stress relief are discussed. The class is tailored to meet the needs of students, igniting their curiosity and mapping out a blueprint for academic success and personal growth in high school.

CONFIDENTIALITY POLICY

Confidentiality is of the utmost importance in all counseling situations. However, threatened harm to the health, welfare, or safety of self or others or any abuse must be reported as required by the law.

CAREER EXPLORATION AND COLLEGE PLANNING

The counselors assist the students in making Naviance, College Board, and Khan Academy accounts during their freshman year to assist them on their career and college journeys. There are a variety of surveys and quizzes the students can take on these sites to pinpoint their interests, and match their interests with careers. These surveys also identify strengths of the individual and match them with careers. Sophomore students take the Campbell Interest and Skill Survey (CISS) and receive an interpretation of their inventory results from a CORA Counselor. The CISS is another tool that the counselors can use to help the students decide on careers and college programs.

Students take the PSAT in grades 9, 10, and 11 to help prepare them for the SAT and to potentially achieve National Merit Scholarship recognition in 11th grade. The use of the College Board account is helpful because students can view their PSAT scores, register for the SAT, and view their SAT scores. Students also send their SAT scores to colleges through College Board.

Students use Khan Academy to practice for their academic classes and for the PSAT or SAT. Their College Board and Khan Academy accounts can be linked to offer personalized practice for the PSAT and SAT.

The counselors meet with the juniors in large groups and in individual sessions to begin college planning during junior year. The counselors speak to the juniors about the PSAT, SAT, teacher recommendation letters, the application process, colleges, majors, and careers. The college counselors will meet with the junior class in a large group in the Fall Semester to initiate the college planning process. Students in all grade levels are

encouraged to use Naviance and College Board to research colleges and scholarship opportunities.

Students and families should start the college search process as early as freshman year, and plan to visit schools well before senior year. All students should contact their college counselor when planning a college visit. Students are given one (1) excused absence for a college visit during junior year, and two (2) excused absences (in addition to PSAT day) during senior year.

Scholarships that are sent to Nazareth are posted on the school website and kept current. They are also posted in the Counseling Center. Students should use websites like Naviance, College Board, fastweb, and finaid to explore scholarship opportunities.

LEADERSHIP/EDUCATIONAL OPPORTUNITIES

During the first semester, all sophomores are eligible to apply for the Hugh O'Brian Youth Leadership Seminar (HOBY). HOBY's mission is to seek out, recognize, and develop leadership potential. One to two sophomores are selected to represent the school during the spring weekend leadership conference. Additionally, the Departments of College and School Counseling will post various opportunities for students of all grades as they arise during the year via the school website, Naz News and email. Students should listen for these announcements throughout the school year and see their counselor with any questions.

POLICY FOR DISCLOSING DISCIPLINARY VIOLATIONS

When applying to colleges, the student, unless the school is bound by law to report an offense, has the prime responsibility of responding honestly to any questions regarding disciplinary actions: probation, suspension, removal, dismissal, or expulsion, whether for academic or behavioral misconduct.

When applying to colleges, the student has the prime responsibility of responding honestly to any questions regarding conviction of a misdemeanor, felony, or other crime. Further, the student should provide the date(s) of the incident(s) and an explanation of the circumstances.

EMPLOYMENT SERVICES

Students may go to the Main Office to receive applications for working papers.

STATEMENT OF PRACTICE REGARDING NAZARETH ACADEMY HIGH SCHOOL TRANSCRIPT

The transcripts provided by Nazareth Academy High School contain only the cumulative GPA and grades for coursework taken at Nazareth Academy High School. Grades from the Diocesan Scholars Program (in which two seniors are given dual credit

for college courses taken at Holy Family University) are included in the NAHS transcript. Any student who opts to take courses outside of NAHS should have the host school submit the transcript of the coursework completed to the college/university that she will ultimately attend.

Courses taken at other schools do not impact the GPA of the student.

ADDITIONAL STUDENT SERVICES

The College Counselor processes all official transcripts upon request from the student (a \$3.00 fee is applied per each school that the student applies). The College Counselor also processes all Secondary School Reports, Mid-Year Reports, and Final Year reports.

The counselors collaborate with administrators, teachers, staff, the school nurse, and parents in their efforts to aid students.

IV. ANCILLARY SERVICES

CORA Services are offered through the Counseling Department to aid students. Students can receive educational testing, receive speech/language services, and take a study skills class. Diagnostic and referral assistance for individual, group, or family counseling is also provided by CORA (Counseling or Referral Assistance).

STUDENT ASSISTANCE PROGRAM ASSESSMENTS

(administered by CORA Services)

CORA SAP Services support the school's efforts to identify and remove obstacles to a student's learning. Substance use or mental health issues often play significant roles in ongoing achievement and performance problems. For a parent/guardian or educator who has concerns about a student who appears to be experiencing marked behavior changes, a pattern of unusual behavior, or a high level of emotional distress, a behavioral health needs assessment is the first step in getting help. Student Assistance Program is not a treatment program; rather, it is a systematic process using effective and accountable professional techniques to mobilize school resources. When the problem is beyond the scope of the school, the program assists the parent-caregivers and the student with information for accessing services within the community.

V. EDUCATION MEDIA SERVICES

LIBRARY

Nazareth Academy's library serves as a space where the students can work in an atmosphere that is both pleasant and academic. It is a center for accessing information, a center for digital communication, and a place for study. It is open from 7:15 in the morning until the end of the school day.

A student's academic success depends, in part, on her use of the media. To this end, the library, in addition to over nine thousand print volumes, houses two computer carts and four docked computers to total forty computers. All computers have Internet access. These facilities enable the students to read, research, access databases, and work on assignments.

Books in the library are selected with the needs of the students in mind. There are books on subjects covering curricula. In addition, there are books which enable students to pursue "personal and aesthetic growth," which is one of the American Library Association's standards for the 21st Century learner. Also, a collection of DVD's supplements the print collection.

For more efficient and effective library service some rules have been formulated. To ensure an academic atmosphere, the library is a place of quiet. Books are loaned to students for a two-week period with the option of renewal at the end of this time. DVD's are loaned for a two-day period, while reference books are available for overnight check-out. Ordinarily, magazines may not be removed from the library. The cost of damaged or lost books will be charged to the student. It will be the price paid at the time of purchase. Should the book be found, the money will be refunded minus the fine incurred up to the time the loss was reported. A fine of five cents each day will be charged for all overdue books, including weekends and holidays. If a magazine is mutilated or lost, payment will equal the current single issue cost.

Lastly, NAHS students have access to Holy Family University Library's databases and books. When they visit Holy Family Library, ring the bell, announce they are students at Nazareth Academy, and present their student ID at the circulation desk.

NAZ NEWS

Telecasts are broadcast live from the Naz News Studio and programs are posted on the school website for future use. All broadcasts are created and produced by the students, with guidance from the moderator.

Lockers are provided for the convenience of the students and are to be kept clean, neat and locked at all times. Books and belongings should accompany students to any after-school activity. Nothing is to be left alongside of, or on top of the locker. Students may have a mirror, notepad, and picture magnetically affixed to the inside of the locker door. A student may NOT give her locker combination to anyone. Any damage should be reported to the Main Office or to the homeroom moderator so that repairs can be made. Students may go to lockers during passing times while being respectful of the classes and or activities in progress.

Otherwise, cell phones are to be out of sight. Cell phone use is never permitted in bathrooms, or in the hallways and/or stairwells during the school day or in our Chapel. Students needing to make or answer a phone call on their cell phone must go the Main Office, Assistant Principal of Student Life or Counselor. Any cell phone or electronic device being used during these specified nonuse times will be confiscated and returned to the student at the end of the day with a 10-point demerit for a first offense.

ELEVATOR PASS

A permit to use the elevator is obtained in the Nurse's Office. It is given for a limited time to those in need due to physical incapacitation. A note from the attending physician is required.

AUTOMOBILES

A student who drives to school daily must register her vehicle with the Attendance/School Safety Office, and pay a non-refundable parking fee. The student will receive a parking permit and a designated parking space. The student will be given a permit to insert with the ID card with an expiration date on the pass. Permission from the principal must be obtained to attend away games or other activities in private cars when school bus transportation is available. Permission is granted only in case of necessity.

To ensure school safety, PLEASE adhere to the following:

- Observe 15 mph speed limit on the school grounds
- Traffic patterns in and out of Grant Avenue
- No parking, drop-offs, or pick-ups in the circle, use parking lot instead
- School buses drop-off and pick-up on Grant Avenue

Students who violate above safety standards are liable for suspension or revocation of parking permit.

ATTENDANCE

Regular attendance and punctuality are essential to good scholarship. Students must report to homeroom each morning and sign in before going anywhere else in the building (i.e. club meetings, music, to speak with teachers, to drop off assignments or sports equipment to the gym/locker room, etc.) Once the student is on school premises, she may not leave without the permission of the appropriate personnel in the Attendance/School

Safety Office.

Proper communication is integral to ensure the ongoing safety of the school environment. Parents/guardians are responsible for calling in absence/known lateness to the Attendance Office, writing notes for late arrivals/early dismissals, and for documenting absences by signing “**Excuse for Absence Cards**” provided by the school. The student is responsible for submitting all notes and cards to the Attendance Office. During the Activity Period, students are only permitted in designated areas.

A student must have a pass if she wishes to be excused for a music lesson, to meet with a teacher, or to go to another area of the building that is not assigned to her roster. The student must communicate with the teacher/moderator as to her whereabouts so that she is accounted for at all times.

If a student is to be absent or a known lateness will occur (due to family emergency, illness, doctor’s appointment, funeral, etc.), a parent/guardian must call the Attendance Office no later than 8:00 am on the day that the absence/known lateness will occur.

Please call the Attendance Office phone; 215-268-1028 with the following information:

- Student Name
- Section/Homeroom (example 2D)
- Reason for absence/known lateness

*Advance notice may be submitted in writing to the Attendance Office. All notes documenting upcoming absences/lateness must also include the above information.

Permission notes for early dismissals must be written and signed by the parent/guardian and are to be handed in to the Attendance Office no later than 8:00 am on the day that the early dismissal is to occur.

Permission notes or early dismissals should include the following information:

- Student’s name
- Section/Homeroom (example 4C)
- Reason for the early dismissal and the time the student is leaving
- Specify who the student will be leaving with
- The student has your permission to leave with (name of individual)
- The student has your permission to drive, walk or take public transportation

*Advance notice for early dismissals is not always possible; in emergency situations, a phone call is permissible and the above information may be reported to the Attendance Office.

LATENESS

At Nazareth Academy High School, punctuality is a necessary component of the school program. Students are required to be on time for the bell which signals the beginning of the homeroom period. The 7:40 am warning bell reminds any student in the building to report to homeroom to begin homeroom attendance procedures. A Homeroom Attendance Report is generated by the Homeroom Moderator and sent to the Attendance Office promptly after the 7:45 am when the final bell rings. All students entering the building after the 7:45 am bell are late. Any student who enters the homeroom at this time (regardless of her arrival time) is also considered late if she did not previously sign-in to homeroom. Every late student must report to the Attendance/School Safety Office to sign-in and receive a late pass to gain admission into homeroom or first period (depending upon arrival time). Each lateness is evaluated and it is determined whether or not the lateness is excused or unexcused. If a student accumulates three (3) unexcused lateness, three (3) demerits will be issued.

Examples of excused lateness include, but are not limited to, the following:

- There is a problem within the transportation system or with the township buses.
- There is a family emergency or an illness. A note or phone call must confirm such lateness.
- There is a weather/traffic emergency situation as reported by local news outlets.

Examples of unexcused lateness include, but are not limited to, the following:

- Oversleeping
- Missing a bus/train
- Failure to sign-in to homeroom (regardless of arrival time)

**Parents/guardians will be notified of excessive lateness which will result in demerits and, ultimately, detention.*

ABSENCE

If a student is absent, a parent/guardian must call the Attendance Office (215-268-1028) no later than 8:00 am on the morning of the absence. A voicemail message may be left at any time between the hours of 3:00 pm (the day before the absence) and 7:30 am (the day of the absence) if the student becomes ill and it is known that she will not be in school. If an absence is known days in advance, (planned vacation, doctor's appointment, etc.) a note may be sent to the Attendance Office documenting the day(s) that the student will be absent.

All absences, regardless of their nature, must be followed by the submission of a signed Absentee Card. Absence Cards are due immediately upon the student's return to school. Failure to return an absentee card within three days of the student's return will result in three demerits and will continue to be issued for every additional day the card is not submitted.

On the first day of school, the homeroom moderator gives each student one "Excuse for Absence Cards." These cards are color coded according to the student's year: Seniors- gold; Juniors-blue, Sophomores- pink, Freshmen- green. These cards must be filled out and signed by the parent/guardian as they are kept on file. They are submitted to the Attendance Moderator immediately upon the student's return to school following her absence. A new card will be picked up by the student as she returns the signed card. If an absence occurs over consecutive dates, only one card must be filled out and handed in. Multiple absences on multiple dates (over a period of time with days present in between) must be submitted on multiple cards. The cards will be kept electronically and on file. Only approved color-coded with parent/guardian's signature will be accepted following an absence. E-mails and other handwritten notes are also accepted as an excuse for an absentee note.

Please be aware that missing a bus is not an excuse for absenteeism. The student is still expected to report to school and she will receive a late pass. If a student misses a bus, including those from the townships, she will be marked absent if she does not find alternate transportation. Transportation is the sole responsibility of the parents and students.

Unexcused absences are:

- Truancy
- Parental neglect
- Illegal employment

All other reasons for an absence are valid "excuses" documented and reflected on the student's attendance record as an absence.

***ANY STUDENT WHO IS ABSENT FROM SCHOOL MAY NOT PARTICIPATE IN AFTER-SCHOOL ACTIVITIES ON THE DAY AND/OR EVENING ON THE DAY OF HER ABSENCE**

ILLNESS

Except in emergencies, students MUST have permission from their classroom

teacher and obtain a pass to visit the Nurse's Office. A student may remain no longer than 20 minutes in the Nurse's Office before returning to class or going home. If the nurse is unavailable, the student should report to the Attendance Office or Main Office. All injuries in school must be reported to the school nurse and business manager. In case of an illness or an accident, the student's parents will be contacted. Students being dismissed due to illness/injury **MUST BE SIGNED OUT OF SCHOOL BY A PARENT/GUARDIAN OR DESIGNEE IN THE ATTENDANCE/SCHOOL SAFETY OFFICE.**

If a student leaves school before 12:30 PM due to illness or another reason, she is considered absent for that day and must submit an "Excuse for Absence Card" to the Attendance/School Safety Office upon her return to school.

The school nurse maintains medical records for all students. It is her responsibility to administer vision and hearing screenings and to see that all students have the proper immunizations state law requires. Parents are required to inform the nurse of any medical conditions of their daughters. Our concern for a student's overall well-being and safety require that parents inform their daughter's counselor as soon as possible should their daughter be pregnant. The school nurse dispenses medication when the doctor authorizes this in writing. A student must have a physician's note and parental permission for all medication taken in school, both prescription and over-the-counter medicines, including Tylenol.

EARLY DISMISSAL

When a student must leave early, a note must be given to the Attendance Office in the morning requesting an early dismissal; only in case of **EXTREME EMERGENCY WILL A STUDENT BE EXCUSED FROM SCHOOL VIA TELEPHONE MESSAGE.** When possible, parents are requested to make doctor and dentist appointments after school hours. If it is necessary for a student to leave school early for a doctor's appointment, she **MUST** bring a doctor's note to the Attendance Office on her return to school. Continuous requests for early dismissal may not be honored.

*Students dismissed after 12:30 PM count as being present for a full day. Students leaving prior to 12:30 PM are considered absent for the day.

EXTENDED ABSENCE

School attendance regulations stipulate that students with more than 18 day-absences may be liable for summer school or even repeating a grade. Absences

which total eighteen (18) days constitute a serious obstacle to promotion and/or graduation. If a student is absent for three (3) CONSECUTIVE DAYS, the parents must obtain a dated certificate from the physician and enclose it with a note on the day that the student returns. In the case of chronic illness involving frequent absences, parents are requested to make this fact known at the beginning of the school year. A doctor's note explaining the medical problem should be presented. Students who are absent with sufficient cause (serious illness, etc.) for more than a four-week period, will be liable to repeat either the entire school year or specific courses. After a student-parent interview, cases will be handled on an individual basis with the final decision based on recommendations by administration and faculty. Please be advised that students applying for college summer programs or applying for college admission may be asked to explain a high number of absences and/or lateness that are part of their academic record.

It is the student's responsibility to obtain make-up work from her teachers immediately upon returning to school. All make-up work must be submitted before the end of the grading period. A time limit of one week may be set for a make-up following an absence of short duration.

Seniors are given two (2) days as an excused absence for an interview or a visit to a college or university. The administration, however, discourages appointments for college and/or job interviews at times that conflict with classes and/or other school functions.

FUNERALS

Death of an **immediate** family member will not prevent a student from having perfect attendance. Immediate family members are classified as grandparents, parents and siblings **ONLY**. Students are granted one bereavement day which does not count against the attendance record. Following the death of an immediate family member, a parent/guardian needs to contact the principal via Main Office 215-637-7676, extension 1100, or via email at principal@nazarethacademyhs.org.

Any student who wishes to attend the funeral services of a non-immediate family member i.e. aunt, uncle, cousin, friend, or relative of a friend must bring a written request from her parent/guardian prior to the day of the funeral. This note must include not only the student's name and section, but also the time that the student is leaving from/arriving to school, mode of transportation (if the student will be driving herself, or getting a ride with friends, etc.) and whether or

not the student will be returning to school following the service. The student must return to school after the funeral liturgy or she will be marked as absent for the entire day. If services are held in the afternoon, the student must attend morning classes and take an early dismissal. If a student takes the day off to attend a funeral of a non-immediate family member or friend, the student will be marked as absent and this will affect a perfect attendance record.

TRUANCY OR LEAVING SCHOOL WITHOUT NOTIFICATION

Since the school holds primary responsibility for ensuring the safety and well-being of its students, the following procedures will be initiated in the event that a student leaves the school premises without permission or prior notification.

- The student will be considered at risk.
- A thorough search of the school will be initiated to be sure that the student has in fact left the premises during school time.
- Attempts will be made to contact the student using cell phone numbers.
- Parents or guardians will be immediately informed. In the event that a guardian or foster parent is involved, the parent will be asked to notify the contact persons immediately.
- A report will be filed with the police.

This applies also to school-sponsored activities outside school hours, whether these activities are held in the building or off school premises. VIII. ACTIVITIES PROGRAM

Nazareth Academy offers a variety of co-curricular and extra-curricular programs, designed to provide diverse opportunities to meet the spiritual, social, physical and intellectual needs of the students. The participation level of the student body is high, offering individuals the added experience of extending and deepening the educational process started in the classroom. Each organization has a faculty advisor, who is assisted by the members in planning the year's events in a way that will meet their goals and objectives. Activities include social service and world language clubs, extensive intramural and interscholastic athletics, dynamic performing arts opportunities, a variety of award winning publications, and social functions scheduled throughout the year.

ATHLETICS

The Athletic Department offers activities for all students. Nazareth competes in the Athletic Association of Catholic Academies (AACA), also known as the Catholic Academy League, in the following sports: Basketball, Lacrosse, Soccer, Softball, Swimming, Tennis, Cross- Country, and Track and Field. Indoor Track follows an

independent schedule. The Cheerleading squad supports the basketball team and enters several competitions. In addition, our school is a member of the Pennsylvania Inter-Scholastic Athletic Association (P.I.A.A.) and District One. Membership in this state organization enables our teams and/or individual athletes to compete at the district and state tournament levels.

Other departmental activities include sport managers who assist with score keeping and equipment during games. The Athletic Association is a service organization for students with a great deal of school spirit. These representatives support athletic events by making posters, announcing events in homerooms, organizing intramurals, and by participating in fund raising promotions.

Every eligible student has the opportunity to participate in the activities of the Athletic Department, pending Administrative approval.

For away games, students are to be dismissed at 1:55 to dress in uniforms and board the bus. If any earlier dismissal time is needed, the time will be included on the weekly schedule.

COMMUNITY SERVICE CORPS (CSC)

Nazareth Academy High School's CSC provides students with the opportunity to live out the words expressed by St. John Paul II, "Enjoy the privilege of your youth: the right to be dynamic, creative and spontaneous, the right to be full of hope and joy, and above all, the chance to give of yourself to others in generous joyful service."

Areas of service include:

- Service to the Elderly
 - Includes programs committed to offering time, love and attention to the elderly -weekly visits, including some type of service to the aged, are scheduled

- Services to Children
 - Includes spending time after-school tutoring neighborhood children or for recreation
- Services to Poor and Disadvantaged
 - Students participate in programs which make them aware of the needs of their own neighborhoods who are less fortunate. This program includes the adoption of a charitable institution for Christmas so that students can

develop a true sense of the Christmas spirit and help enrich the lives of those who receive the gifts

STUDENT COUNCIL

The function of the Student Council is to represent student views to the faculty and administration and vice-versa. To accomplish this, members concern themselves with the student concerns, help to develop and maintain school spirit by providing activities and encouraging participation in them. Student Council members and officers are elected from the senior, junior and sophomore classes. Homeroom presidents may be called in as ex-officio members of Council. Elected late in the first semester, freshmen become representatives and serve as councilors for the second semester.

SCHOOL FIELD TRIPS

- Field trips are privileges and no student has the absolute right to participate in a field trip. Occasionally, the school may sponsor off-campus trips which are designed to enhance and/or to enrich the students' learning experiences. Such trips are privileges, and students who fail to meet the academic, behavioral, attendance, and/or proper dress requirements may be prohibited from participating.
- Students who fail to submit the proper field trip permission forms will not be allowed to participate. Neither telephone calls nor other written notes will be accepted in lieu of a signed, official school permission form. Parents/Guardians may refuse to allow participation in a field trip by notifying the school in written form.
- Student participation in a field trip is optional.
- Students are to consider their current absence record, academic standing, content/assignments missed, as well as future obligations requiring absence from class, when planning to attend a field trip. The decision to participate should reflect sound judgment.

- Students choosing to participate are responsible for completing missed assignments in a timely manner, as determined by the classroom teacher.
- Any student who has a grade in any class of 75 or less is ineligible to participate in a Field Trip
- Parents, sponsors, and teachers should encourage students to make prudent decisions regarding optional participation.
- Students who know in advance that they will be absent from classes for a school field trip must make every effort to discuss with their teachers any work that needs to be submitted prior to leaving.
- Final permission for field trips will be determined by the Administration on an individual basis. Approved absences will not count toward the maximum.
- Students must adhere to all school policies and regulations, including proper dress, while on trips sponsored by the school. Proper dress refers to the wearing of the school uniform unless otherwise specified by the principal. The school reserves the right to refuse permission for any student's participation in a field trip, if it is felt that her conduct would reflect unfavorably on the school.

ACADEMIC ELIGIBILITY FOR ATHLETICS, CO-CURRICULAR, EXTRACURRICULAR ACTIVITIES

The administration, faculty and staff of Nazareth Academy recognize that extracurricular, co-curricular, and athletic activities enrich the educational experience and social development of our students.

We encourage and support student participation in these activities without compromising the integrity and purpose of the academic program. Having a variety of options, including, but not limited to, cultural arts, athletics and other team activities is an essential part of a complete educational experience.

We believe that these activities are an integral aspect of a school's program, for such activities enhance the students' educational experience significantly.

These activities are defined as those endeavors which are organized, planned, sponsored and/or recognized by the school. This includes activities that are an extension of the classroom, sanctioned school clubs, performing groups, athletic teams and all other sanctioned activities.

However, these activities are a privilege, not a right, and the administration reserves the right to set policy for student participation which may include both academic and disciplinary standards.

- Students must meet all academic and conduct eligibility requirements in order to participate in athletic and/or extracurricular activities.
- Eligibility is determined by Progress Reports and Report Cards, which affect athletics as well as other co-curricular and extracurricular activities.
- A precondition for participating in the extracurricular life of the school is attending academic classes. Those students who do not abide by this cannot participate in the athletic and/or extracurricular activities on the day of the absence unless otherwise authorized by the Principal. For activities which are held on weekends, the student must be present on the Friday prior to the event.
- Any grade of a F (69 & Below) on any of the Progress Reports renders a student ineligible to participate in any activity or practice until the needed credit is earned and approval is granted by the Assistant Principal for Academics. Any student receiving a grade in the D range (70 to 71) will be placed on academic probation with participation in practices and events granted only by mutual agreement of the teacher, the activity director, and the Assistant Principal for Academic Affairs.
- Marking periods are determined by semesters. The marking period begins on the first day of the academic semester and ends on the last day of the academic semester.
- Students with "Incomplete" grades are ineligible until all "Incomplete" grades are made up at 70% level. "Incomplete" grades automatically become failing grades if not made up within two (2) weeks after the grade is issued.
- Students declared ineligible will be required to be present at mandatory tutoring sessions so that she may receive support and rectify an academic deficiency.
- Students who fail a course, have not completed their community service and/or have an "Incomplete" grade at the end of the second semester will need to make-up the work during the summer in order to become eligible at the beginning of the upcoming academic year.

ELIGIBILITY STANDARDS FOR ATHLETICS AND EXTRACURRICULAR ACTIVITIES

A grade point average (GPA) of at least 2.0 - C is required for all students who play on any team, participate in any performance, or belong to any club or organization. These students are also required to have good attendance and behavior records.

A student who runs for office and/or is elected to an office must maintain:

- A satisfactory academic record
- A good attendance and behavior record

A suspension at any time of the year disqualifies the officer and relieves her of her office.

NAZARETH DAY

The seniors sponsor a special program in which the freshmen take an active part. A week prior to the appointed day, the freshmen are alerted as to what is expected of them. The ensuing activities tend to develop in the freshmen a spirit of camaraderie and cooperation, which is the basis for their loyalty to Nazareth Academy.

In the fall, the juniors receive their school rings, thereby becoming full-fledged members of their alma mater. This is celebrated in two parts. The first is an evening Eucharistic Liturgy in which the juniors and their parents celebrate the goodness of God. The second takes place during the school day. The sophomore class prepares the day's festivities to impress upon the juniors the significance of the bond which the ring portrays.

Usually held in January, the semi-formal dance is sponsored by NAPA and is open to all classes and their escorts. Light refreshments are served. An alternate date is scheduled in case of inclement weather.

CLASS DAY

Class Day is held during the latter part of May and sponsored by the junior class. It is a special day for seniors and the culminating traditional activity. The Class Day program is a summation of all memorable events that the seniors will cherish after they leave Nazareth Academy. The program is prepared and presented both as a token and a reminder because it aims to give the seniors a memento of all that has been spiritually, morally, and scholastically important during their high school years.

HONOR SOCIETIES

MU ALPHA THETA HONOR SOCIETY

Mu Alpha Theta, the national high school and junior college mathematics honor society, fosters excellence in mathematical achievement. To be eligible for membership in the NAHS's chapter, students must complete Honors Trig/Pre-Calculus with a grade of A- or better. Juniors having at least an A- at the completion of the first semester of Honors Trig/Pre-Calculus will be inducted in the spring of their junior year. In addition, students must have a 3.3 cumulative G.P.A. and a 3.5 G.P.A. in mathematics courses, including Honors Trig/Pre-Calculus. Approval by mathematics department faculty is also required. NATIONAL HONOR SOCIETY

Since 1950, Nazareth Academy has been a member of the National Honor Society. As a chartered affiliate of the organization, Nazareth's Lumen Christi Chapter operates strictly according to guidelines established by the national constitutions. The object of the National Honor Society, on both the national and local levels, is to encourage students to work for high standards of character, service, leadership, and scholarship. Any sophomore or junior is eligible for National Honor Society membership under the following conditions:

- For the scholarship criterion, a student in tenth grade must have a 4.0 or higher GPA as of January of her sophomore year and must have complete two (2) honors courses her first two years at Nazareth Academy High School, spring semester honors course will count. For eleventh grade students, the student must have a cumulative GPA of 3.75 or better on a 4.0 scale. They must also have taken a cumulative of four (4) honors or AP courses, including the second semester of Junior year.
- Students are considered for candidacy based on their hours of service during, as well as, after school. Their character and leadership abilities are also evaluated by all faculty members before a faculty selection committee is called upon to review the evaluations and select those students who will be admitted into the society.
- Students must also, in the same period of time, have demonstrated that they possess the qualities of leadership, character, scholarship and service, and possess them to an outstanding degree. All four qualities are equally important as prerequisites in the selection process. A candidate lacking one or more qualities would not be invited to this society.
- Following faculty input, a student must be selected for membership by a specially appointed faculty council.

- The student must be willing to maintain the status according to which she has been elected to the society, and to fulfill all obligations as dictated for members by the by-laws of the Lumen Christi Chapter.

The procedures used in selecting National Honor Society members at Nazareth Academy High School have been developed to obtain the highest possible degree of fairness and equity. All students are encouraged to acquaint themselves with these procedures. The National Honor Society advisor is prepared to provide additional information upon request and to answer questions. Admission to the National Honor Society should not be looked upon as a reward for what a given student has done. Rather, it should be looked upon as acknowledgment of the fact that the student subscribes to National Honor Society values and acts accordingly. Thus, after induction, each National Honor Society member continues to practice the four qualities which formed the basis for her election. Failure to maintain National Honor Society standards constitutes grounds for dismissal from the society.

The society builds self-awareness and provides a channel for self-fulfillment. Students, in essence, challenge themselves to become more competent. They develop a better appreciation of how their efforts toward the society's goals lead to higher academic and musical attainment.
