**(8:00A.M.-2:30P.M. with a 1-hour lunch)**

Tracy Unified is kicking off the year with a focus on strong relationships between teachers and students to provide the conditions for rigorous and relevant learning to flourish. Keynote speaker Erica Tate, ICLE Consultant and Bluknowledge Founder and CEO, will kick-off the day with a focus on the importance of creating a classroom culture (whether physical, remote or blended) of vulnerability, connection and compassion as the foundation for which students are empowered to engage to their fullest potential in learning that is highly rigorous and relevant in preparation for next-level learning and future-readiness.

Teachers will then engage in Intentional planning through the lens of Rigor, Relevance, Engagement, and Relationship rubrics, using highly-effective instructional strategies and digital tools to create a trusting learning environment in which students can be vulnerable and take risks to accelerate learning and improve outcomes.

**(2:30P.M.-3:30P.M.)** Teachers will engage in safety training to support a safe return to schools.

The District Preservice Professional Learning District Day is required for all teachers to attend from 8:00A.M.-3:30P.M. with a one-hour lunch break. Teachers will report to their school site. Attendance will be taken at the school site. In order for your attendance to be counted, teachers must sign-in at the beginning of the day and sign-out at the end of the day with their site administrator.

**Please bring your fully charged device.**

**MATERIALS:** Access to materials for Preservice can be found in the **TUSD Portal** > under **Curriculum** drop down menu > on the **Rigor and Relevance Resources** Page > in the folder title **2020 PRESERVICE**
