

**NEWS ON THE RUN**

What is the O.D.D.? "One Dollar Date," said Internal Affairs Commissioner Dave Herriford, referring to the big cinematic event of this Saturday Night, September 21: Cool Hand Luke, with Paul Newman in the story of a non-conformist. Admission is only 50¢ per person, so inexpensive that, according to Herriford, "You and your favorite gal can spend an evening together for just \$1.00." The three hour program, which starts at 7:30 will also include a Three Stooges Comedy and various cartoons. Refreshments will be available during breaks in the show.

In their first big meet of the season, the SLUH Cross County runners jogged to a seventh place finish in the 12-team Northwest of House Springs Invitational last Saturday, far behind Northwest of House Springs and CBC, who finished first and second.

The lone bright spot for the Harriers was Tom Junker, who took 12th place in the Varsity race with a time of 11:34 over the 2.1 mile back-breaking course. The JV runners managed to come in with a 6th place finish as Dan Morgan led the SLUH JV runners with a 6th place finish and a 12:14 time.

Roman around.....practice sessions have already begun for the Dauphin Players musical, "A Funny Thing Happened on the way to the Forum." The cast includes seven seniors (Paul Watkins, John Heagney, Mike Woods, Tim Erman, DeWitt Kilgore, Greg Welsch, and John Zinser), four juniors (John Strzelec, Steve Bourneuf, Tom Clear, and Todd Scanlon) and one sophomore, Ron Chunn. When asked how rehearsals were coming along, Mr. Schulte replied, "I'm looking for a rubber chicken." Anyone who has access to this prop should see Mr. Schulte in the Math Office as soon as possible.

The newly formed Electronics Club still has a few splices to connect before the juice can get going. One persistent hang-up is when and how often the club should meet. Proposed sessions would be about two hours in length each week, but as yet these plans have not been finalized. Fr. Valliquette (Rm. 228) says the club will begin with "the basics," and work up to more advanced problems and projects.

"...ummmpph!" That was Student Council President Jerry Dwyer's reaction to the events of last week's Freshman Fun Night. Dwyer had just been creamated by various seniors armed with whipped cream cans as a climax to the evening's proceedings. Homeroom 108 won the contest after a flip of the coin with homeroom 101, which had an e-conf.

qual number of points. After the clean-up the event was termed a success with both Freshman and Seniors having a great time.

Last Thursday night, the girls' school representatives for the 74-75 school year held their first meeting. The main discussion revolved around the election for Coronation Queen. The Reps decided that she should be formally crowned at the Coronation Dance. The difference in this year's election, however, will be that no photographs of the reps will be posted on the bulletin board, because the girls feel this would turn the election into a beauty contest. There will be a rec night in October for the seniors to meet the Reps.
