injury. Even though the Jr. Bills had many opportunities to break the game open they just couldn't score; and the 1st half ended deadlocked 0-0. The 2nd half was much like the 1st in that the Soccer Bills controlled the tempo of the game. SLUH's patience and tenacity finally paid off when Paul Horgan tapped in a beautiful pass from Ed Hoppe, giving the Jr. Bills a 1-0 lead with about 25 minutes left in the game.

However, a bizarre turn of events shortened the length of the game considerably. SLUH forward John Lamping was intentionally fouled by a Lindbergh player, and both were ejected from the game. Then, the Lindbergh coach, upset with the call, voiced his opinion to the referee; and he, too, was shown the red card and ejected. The fact that no other faculty member from Lindbergh was present to replace the Flyer coach forced Lindbergh to forfeit the game, giving the Soccer Bills their 5th victory of the year and a berth in the quarterfinals of the CYC Tournament against the 4th ranked Aquinas Falcons on Thursday.

VARSITY POLO SINKS CENTRAL

The Varsity water polo team had an easy time Tuesday, as they ran their record to 3-5 with a 23-5 thrashing of an inexperienced Parkway Central team. Leading the scoring parade for the AquaBills were Don Wilhelm, Greg Clavenna, and Steve Eyerman with 5 each.

"This was the breather on our schedule, as everyone got a chance to play at least half of the game," noted Coach Busenhardt. "We need to win our next 2 games against Affton on Thursday, and Principia to reach the .500 mark and gain a good seed in the upcoming state tournament, as Principia and Affton have similar records."

All water polo matches are at 4:00 and 5:00, and fan support is greatly appreciated.
