

VARSITY SOCCER, CON.

fending co-state champs, the Aquinas Falcons-2-1. Goals were scored by Steve Gauvain.

Tomorrow night the bills play DeSmet in the semi-finals. Game time is 7:30 at Heine Meine field. We need just as big a crowd at the soccer game as at the Desmet football game. In order to insure this the Prep News is once again providing exclusive directions to the game.

To get to Heine Meine from SLUH, go:

- I 55 South to Germania
- go left on Germania and follow it as it becomes River Des Peres Rd.
- turn right when you reach Lemay Ferry Rd.
- go over a small bridge and up about one block. Heine Meine is behind a Dairy Queen.

SLUH BOWLING ROLLING

Once again Mr. Becvar will lead the SLUH bowlers into another excitement-packed season. At 11:30 on the morning of Oct. 14, the teams will battle out their first game of the '78-'79 season (which lasts until the middle of April) at Magdallen Lanes.

Mr. Becvar says that the price for each week's play is still an excellent value. Three games of bowling, shoe rental, and trophy fee are all included in the rock bottom price of \$2.50. Also, he adds, no special equipment or experience is needed, so any beginners, especially Freshmen, are certainly welcome. He encourages anyone interested in joining to see him at either noon rec or after school in room 209, since bowlers are still needed for teams that are short-handed.

WATER POLO (CONT.)

foot, compiling a 5-1 record.

The team has won games by such scores as 15-9, 12-6, and 8-3. The polo player's only loss came at the hands of Lindbergh with a tough 8-7 defeat. Mr. Busenhart said this was a result of "a few mental mistakes," and that the Bills should have won. The three leading scorers for the team are Bob Pohrer, Kurt Baudendistel, and Jerry Kolb. Other starters are Jim Storey, Joe Finn, and Don Wilhelm, with Phil Behnen and Ken Howard tending the goal. Wilhelm and Behnen are the only two junior starters. The JV's record is 3-3, with John Murphy and Steve Cotner being the leading scorers.

Mr. Busenhart thinks the team has a "good chance" at winning state. The state tournament begins with District, Nov. 7-13, and all the home games are at Forest Park Community Pool. Only 10 games are left in the season, so let's give the team all our support. The next game is at home against Principia this Monday, with the B-team starting at 4 and varsity following at 5. Mr. Busenhart would especially like to see the whole student body at the team's only night game of the year. This is against U. City on Friday, Oct. 20, starting at 7 o'clock.

THE HARRIER REPORT

The Cross Country team is off and running as far as the B- and C-teams are concerned. The Bees, led by Rich Klosterman, have compiled a big 4-1 record. The Freshmen, paced by Cary Corbett, have taken off to a 2-0 start.

The Varsity squad, on the other hand, hasn't fared quite as well. The team is hampered mainly by the lack of an experienced upperclassmen, with only 4 returning runners on the team. Doc Conley sees that this could be changed, but as he says, "too many Juniors and Seniors who ran on last year's team chose not to run this year." The O-5 Varsity record reflects this lack of experience, but the team will keep on trying. The leader of the Varsity team so far has been Jeff Reis with Mike Ebeling also running strong. Other B-team stars include Matt Ebeling and Gerry Glynn with Bob Will coming up fast. The C-team is blessed with the talent of "John Boy" Borezi, John Connely, and Mark Barry.

Tuesday, SLUH swept their meet against Fox Lutheran South. The Varsity, JV, B, C teams swept all places as their opponents failed to show up. The team hopes to follow up this massacre with a victory next Tuesday in a meet against DeSmet and Vianney. After that, Doc Conley plans to begin preparing the team for the District and Regional Tournaments. Doc hopes the team will run well in these meets and said, "I really think if we work hard, we can pull it out and do well in the District."
