I want to thank all connected with the Cross Country team for all the hard work and energy that they put into a very successful season. Thank you. I want especially to include the managers in this gratitude.

If I overlooked anyone, please let me know immediately. Also if anyone thinks that I have been unfair in making these awards, please see me or see the ~~manager~~ captains right away. I can explain why I made the awards the way I did.

Louis J. McCabe, S.J.
