

We are pleased to announce that Edison Public Library Main Branch (340 Plainfield Avenue) reopens to the public for limited services on July 13th.

As our Library reopens, we have established guidelines to ensure a safe environment for our patrons and employees. Please read the [Information about Re-opening the Edison Public Library to the Public](#) for details. We would like to thank everyone for making the safety of our community a priority!

North Edison and Clara Barton branches are temporarily closed but can now be reached at their respective phone numbers. You can also email us at helpdesk@edisonpubliclibrary.net.
