2019-20 Ethnic and Racial Demographic Designation Form

Student's First Name: _____ Middle Name/Initial: _____ Last Name: _____

Date of Birth: _____ District: _____ School: _____

Schools are required to report ethnicity and race to the state and to the U.S. Department of Education. Because of recent changes to Minnesota state law, Minnesota disaggregates each category into detailed groups to further represent our student populations. Parents or guardians are not required to answer the federal questions (**in bold**) for their children. If you choose not to answer the federal questions (**in bold**), federal law requires schools to choose for you. This is a last resort—we prefer that parents or guardians complete the form. State questions are labeled as “Optional” and schools will not fill in this information for you. Refusal to respond to any questions will not impact enrollment in a school.

This information helps improve teaching and learning for everyone and helps us accurately identify and advocate for students currently underserved. The information this form collects is considered private information. You can review the privacy notice to learn more about the purpose of collecting this information, how it will be used and not used, and how the detailed groups were identified. The privacy notice can be found on MDE's Frequently Asked Questions, <https://education.mn.gov/MDE/fam/count>.
