Dear Community Members

Welcome to the 2018-2019 school year. It's a huge honor to be serving as the superintendent of St. Anthony-New Brighton School District. I've learned that while many people know who I am, it's important to make sure I am accessible to all. I want people to know the real Renee and what I'm about. I know it won't necessarily matter what I say, it will be my actions and connections that matter. However, it's important for me to let everyone know who I am and what I'm about.

What matters to me is family. Not just my own, but my St. Anthony-New Brighton School District family. This sense of loyalty and commitment is deeply rooted in my own family. I was raised in a large, loud, loving Italian family. I'm the youngest of four--and the first three were boys and my brothers are everything to me. Our mom, Marion, is the classic Italian grandmother. She is happiest when she's feeding all of us and our families there are 19 of us now. Marion taught us that family is love and that love is a verb. This is essential to understanding how I see my St. Anthony-New Brighton School District family. I'm not afraid to say I lead with my heart and all of the loyalty and commitment that comes from it.

I'm also purpose-driven, and I've had the same purpose throughout my 20 year career as an educator. I educate with determination and commitment to create ethical, educated, and engaged citizens committed to justice. These aren't just words to me. They guide me through all decisions and all opportunities. It's also important to me to tell you how I intend to go about living out this purpose as your superintendent. There are a few key qualities that you can expect from me. In fact, I hope you hold me accountable to them if you ever wonder or question the ways in which I'm going about serving this district:

I intend to serve with transparency and trust- I am open and straightforward. You can count on my honest reaction to concerns, issues and/or questions. Partnership and collaboration are my go-to. I am open to all ideas and will work to hear from many when making a decision. I have a great deal of drive and energy- I work hard. It is not my nature to be idle. I will work passionately to ensure success for St. Anthony-New Brighton schools. I will serve with integrity- I keep my promises. I do not cover up bad news, I take responsibility and I place the needs of St. Anthony-New Brighton schools over personal gain. You can expect flexibility and change- I accept challenge and I want to be challenged. I see this desire as the key to collaboration and growth.

Over the summer, a group of district's leaders engaged in foundational work, reviewing the district's current mission, vision, and values and made connections to how they inspire us to deliver high-quality, in-depth learning in the St. Anthony-New Brighton School District. It's going to be great doing this work with you!

Security Enhancements for the 2018-19 School Year

The safety of our students is our highest priority. St. Anthony-New Brighton School District has enhanced security at Wilshire Park Elementary School, St. Anthony Middle School, and St. Anthony Village High School for the 2018-19 school year. Beginning in September 2018, parents and visitors to our buildings experienced two changes--new secured entrances and a visitor management system.

Secured Entrance

All parents and visitors to Wilshire Park Elementary enter the building through Door 1, the main entrance, which directs you into the school office.

All parents and visitors to St. Anthony Middle School and St. Anthony Village High School use Door 1 as the main entrance. Kelly Woods is pictured inside the main entrance.

Visitor Management System

We began using a visitor management system at the elementary school and middle/high school to increase safety for students and staff. The visitor management system will help us know who is in our buildings at all times. This system

will screen all visitors--parents, contractors, and volunteers--who enter our schools and provide us with a safer environment for our students and staff.

Here's how it works:

1. Upon entering the elementary or secondary building, all visitors present a government-issued identification such as a Driver's License or State ID, which can either be scanned or manually entered into the system. If a parent or guardian does not have a government-issued identification, the school staff member can use any form of identification and manually enter the person's name into the visitor management system.

2. The visitor management system checks the visitor's name and date of birth for comparison with a national database of registered sex offenders.

The system checks to ensure that registered sex offenders are not entering our school buildings without our knowledge.

The registered sex offender database is the only official database checked by the visitor management system. No other data from the identification is gathered or recorded and the information is not shared with any outside agency.

3. Once entry is approved, a badge will be printed identifying the visitor, the date, and the purpose of his/her visit.

The safety of our students is our highest priority and we appreciate your support in enhancing the school safety protocols in our district.

Helen Siggelkow, pictured above, greets visitors to Wilshire Park Elementary School. Right, a parent uses the kiosk to sign into the visitor management system before entering the school.

Kelly Woods greets visitors to St. Anthony Middle School and St. Anthony Village High School.

School Board Recognitions

Best Communities for Music Education

St. Anthony-New Brighton School District was named one of the Best Communities for Music Education. The National Association of Music Merchants (NAMM) Foundation's Best Communities for Music Education national recognition program honors the efforts of school districts who share a goal of providing music to all students as part of their curriculum.

St. Anthony-New Brighton School District was one of 583 school districts in the nation identified as a 2018 Best Communities for Music Education. Doug Schmitt, Vice President of Schmitt Music, presented the recognition to all School Board members at the meeting on October 2, 2018, and music teachers in our school district--Andy Erickson, Emmi Hackbarth (not pictured), Chris Ravndal, Michael Shafer, and Jill Westermeyer.

Minnesota Youth Council Leaders

Emily Geier and **Ava Kalenze**, students at St. Anthony Village High School, were recognized at the School Board meeting on December 2, 2018, for their service on the Minnesota Youth Council. The Minnesota Youth Council (MYC) is a collaboration of youth and adults working together to empower and mobilize young people across the state to exercise their voices, opinions and ideas and take action on issues affecting youth.

Did you know?

Listening sessions are held at 6:30p.m. before the first School board meeting of each month. School Board meetings are typically held on the first Tuesday of each month in the Council Chambers of the St. Anthony Community Center. The list of School Board meetings can be found at: www.isd282.org/school-board-meetings

Our Board members are:
Barry Kinsey, Chair
Laura Oksnevad, Vice Chair
Dr. Cassandra Palmer, Treasurer
Leah Slye, Clerk
Andrea Scamehorn and
Mike Volna, Directors

Geier, a freshman from St. Anthony, is serving her first year on the MYC representing Minnesota Congressional District 5. Minnesota Alliance With Youth shared, "Emily is a hard working and enthusiastic student. . . She is new to Minnesota Youth Council this year, and couldn't be more thrilled." Kalenze, a sophomore from New Brighton, is serving her second year on the MYC representing Minnesota Congressional District 4.

In 2013, the Minnesota Legislature formally recognized the work of the MYC, passing into law the Minnesota Youth Council Committee Bill, which establishes the MYC as an official legislative committee, creating a system for youth to provide advice and recommendations to the legislature and the governor.

Minnesota Youth Council members focus their impact through two working committees. The Education Committee, which strives to ensure equal access to learning opportunities and increase the options available for students in order to create better educational experiences. The Policy Committee, which provides youth with a seat at the legislative table through the MYC Committee, an official committee of the Minnesota state government. Members meet with elected officials, advocate for legislation and policy platforms that support equity and young people and hold legislative committee meetings to hear legislation directly from elected officials. Kalenze serves on the policy committee.

Early Childhood Family Education

Early Childhood Family Education (ECFE) is a program for all Minnesota families with children between the ages of birth to five years (before kindergarten entrance).

Family provides a child's first and most significant learning environment and parents are a child's first and most important teachers. The goal of ECFE is to enhance the ability of all parents to provide the best possible environment for their child's growth and learning. ECFE classes are a fun, informal way to meet and learn with other parents.

ECFE Tuition Sliding Fee Scale

Register each child separately; class fee is indicated on the sliding fee scale. Parents pay the class fee for the first child and receive a 25% discount for each additional child (ages 9 months to pre-kindergarten).

Call the Community Services office at 612-706-1166 to receive the discount when you register. All parents, legal guardians, and grandparents are welcome to attend at no extra charge.

	Fee A	Fee B
Under \$10,000	\$20	\$15
\$10,001-\$20,000	\$32	\$24
\$20,001-\$40,000	\$48	\$36

Separating Classes

MONDAY AND TUESDAY MORNINGS

For parents & children birth to age 5

The Monday and Tuesday morning classes are for all families and especially helpful for those with more than one child. Siblings play with new friends while feeling the security of being with a brother or sister during the separation time.

Separating classes follow this format:

Parent and Child Learning Time (45 minutes)— After arriving at 9:30 a.m., parents and children join in a gathering circle to welcome friends and hear about the learning goals and parent-child activities scheduled for class that day. Parents and children then explore the learning activities in the children's classroom which are facilitated by Anne-Marie, our Early Childhood Family Education teacher.

Parent Education Time (75 minutes of separation)— While parents transition into the parent education classroom, children enjoy play time in the gym, story time, learning activities, and a healthy snack in the children's classroom. Parents gain support and wisdom from group discussions about family relationships, child development, and parenthood facilitated by our Parent and Family Educator.

Non-Separating Classes

TUESDAY EVENINGS AND THURSDAY MORNINGS

For parents and children, birth to 5 years old

On Tuesday evenings, parents and children begin class with dinner, which is served by our staff. Parents and children then enjoy play time in the gym and transition into the children's classroom to explore the learning activities which are facilitated by Anne-Marie, our Early Childhood Family Education teacher.

On Thursday mornings, parents and children join in a gathering circle to welcome friends and hear about the learning goals and parent-child activities scheduled for class that day. Parents and children explore the learning activities in the children's classroom, which are facilitated by Anne-Marie, our Early Childhood Family Education teacher.

Terrific Twos and Early Threes

WEDNESDAY MORNINGS

For parents & children 2 to 3 years old

This fun and structured learning environment will help your child prepare for preschool! Your child will practice separating from mom and dad, engage in learning activities in the classroom and gym, and develop social skills through interacting with peers.

Parent and Child Learning Time (45 minutes)— After arriving at 9:30 a.m., parents and children join in a gathering circle to welcome friends and hear about the STEM learning goals and parent-child activities scheduled for class that day. Parents and children explore the learning activities in the children's classroom, which are facilitated by Anne-Marie, our Early Childhood Family Education teacher.

Parent Education Time (75 minutes of separation)— While parents transition into the parent education classroom, children enjoy play time in the gym, story time, learning activities, and a healthy snack in the children's classroom. Parents gain support and new perspectives from group discussions about parenting two- and three-year-olds facilitated by our Parent and Family Educator.

"ECFE has been the thing that connected me to my community, really, for the first time since we moved here 3 years ago."

Saturday Drop-In Class

SATURDAY MORNINGS

For parents and children, birth to 5 years old

Anne-Marie, our Early Childhood Family Education (ECFE) teacher, will have parent and child activities available in the gym and in the ECFE classroom--dramatic play, sensory experiences, science, art projects, and more.

Each week will be filled with creative and engaging learning activities for the whole family! Come when you can, registration is not required.

What is Help Me Grow?

Help Me Grow provides resources for families of children birth to age 5 to understand developmental milestones and learn if there are concerns. This helps families take the lead in seeking additional support or referring their child for a comprehensive, confidential screening or evaluation at no cost.

Why is Developmental Screening Important?

While every child is unique, children develop in certain, predictable ways, called developmental milestones. Your child's health care provider and early childhood experts will use screening information to keep tabs on how your child is progressing and determine if he/she is reaching the milestones.

How to Schedule an Early Childhood Screening

To schedule a screening for your child, Residents of St. Anthony-New Brighton School District call St. Anthony Community Services at 612-706-1166. Residents of Minneapolis should call 612-668-0860.

Preschool for the 2019-2020 School Year

As young families move into the St. Anthony-New Brighton School District, our population of children birth to age 5 is increasing. As a result, our Early Childhood programs have created registration timelines to ensure our resident families have priority when enrolling

their children in Early Childhood Family Education classes, Half Day and All Day Preschool. Our goal is to ensure all students are ready for Kindergarten at Wilshire Park Elementary School.

Preschool Registration for 2019-2020

Families who are residents of St. Anthony-New Brighton School District can begin registering on Monday, January 7, 2019. Register online at www.isd282.org/cs

The preschool programs at St. Anthony Community Services were awarded a Four Star Rating by Parent Aware in 2013. To receive a Four Star Rating—the highest possible—St. Anthony Community Services demonstrated its quality early education programs and use of best practices to support school readiness.

Community Tours of Wilshire Park

On September 7, 2017, the St. Anthony-New Brighton School District community supported a bond referendum to expand Wilshire Park Elementary School. On Saturday, October 13, 2018, after ten months of construction, St. Anthony-New Brighton School District invited our community to come inside to see and learn about the renovations to the school. Held in conjunction with the Wilshire Park Parents Association Fall Fest event, over 250 community members participated in twelve tours over three hours. Visitors walked in the building through the secured entrance and learned about enhanced security at the school. Hosted by Superintendent Dr. Corneille and Principal Kari Page, visitors toured the building, learning about the secured entrance, kindergarten, first and second grade classrooms added to the east side of the school, the renovated media center, and community gym, third grade classrooms, art room, and Village Kids room added to the west side of the school. Thanks to your support, our students in grades K-5 began the 2018-19 school year in an expanded school.

On the tour, community members observed where the existing building connects to the addition on the east side of the school.

A volunteer uses the kiosk to sign into the visitor management system in the secured vestibule, a new safety feature in the main entrance at Wilshire Park.

Dr. Corneille, Superintendent, guided community members through brightened hallways each with colors indicating different grade levels.

Tom Rademacher Receives Teaching and Learning Award

Congratulations to Tom Rademacher, 8th grade Language Arts teacher at St. Anthony Middle School. Mr.

Rademacher received the National Summit for Courageous Conversation Learning and Teaching Award and was recognized on October 23, 2018, during the Summit in Philadelphia. Mr. Rademacher accepted the award remotely from his classroom alongside his students at St. Anthony Middle School.

NATIONAL SUMMIT FOR COURAGEOUS CONVERSATION

"To those of us who have followed Tom's work for awhile, it's a joy to see the impact he is having on our kids and our school," says Amy Kujawski, Principal at SAMS.

"Tom's commitment in his language arts classroom to keeping all kids feeling safe as they read and write about and discuss critical aspects of our world not often explored in schools is uncommon. There is such depth to his approach to teaching."

According to website for the National Summit for Courageous Conversation, the Learning and Teaching Award is presented annually to a classroom teacher who demonstrates radically innovative, culturally relevant instruction that engages all students, and especially, promotes the highest achievement of underserved student of color populations. Known as "Rad" or "Mr. Rad", it is clear our students are the reason he shows up each day working hard to not only teach language arts with excellence but also key concepts of cultural competence. As evidence of Mr. Rademacher's advocacy and efforts, a former student wrote, "His classroom was such a comfortable and safe place. Whether I walked in thinking I was going to have a courageous conversation or write an essay, I always felt comfortable, because Mr. Rad made it that way. If we were having a conversation about racism and equity as a class, he never pushed anyone to talk more and never pushed anyone to talk less. He let students decide where they were going to stand when it came to sharing their opinions and thoughts, but he always made sure that everyone walked out of the room that day learning something that they didn't know when they walked in." Tom Rademacher was Minnesota's 2014 Teacher of the Year.

St. Anthony Middle School's Knowledge Bowl teams are having a successful start to their season. Team 1 secured first place two meets in a row and the Triple Team award at the first meet. At the second meet, team 4 took fifth place. Congrats!

St. Anthony Village High School Students Recognized as AP Scholars

Every Spring, students across the country take AP (Advanced Placement) Exams. AP Exams are college-level exams on specific subjects where students earn scores between 1 and 5 and can earn college credits. In August, 84 students at St Anthony Village High School (SAVHS) were recognized by AP for their outstanding accomplishments as AP Scholars, AP Scholars with Honor, AP Scholars with Distinction, and one National AP Scholar.

- **AP Scholar:** 47 students at St. Anthony Village High School earned a score of 3 or higher on three or more AP exams.
- **AP Scholar with Honor:** 18 students at St. Anthony Village High School earned an average score of at least 3.25 on all AP Exams taken, and scores of 3 or higher on four or more of these exams.
- **AP Scholar with Distinction:** 18 students at St. Anthony Village High School scored an average score of at least 3.5 on all AP Exams taken, and scores of 3 or higher on five or more of these exams.
- **National AP Scholar:** 1 student at St. Anthony Village High School earned an average score of at least 4 on all AP Exams taken, and scores of 4 or higher on eight or more of these exams. In 2018, **Conner Taylor** earned National AP Scholar recognition.

Visit our website at www.isd282.org to view all the students who were recognized as AP Scholars.

Students in Leadership

On November 29, 2018, students from St. Anthony Village High School met with Representative Mary Kunesch-Podein to learn more about their responsibilities as leaders. Students in Leadership is a pilot program giving high school students an opportunity to serve on school district committees and city commissions in St. Anthony Village.

Pictured above, with Representative Kunesch-Podein, are St. Anthony Village High School students Trenton Washington, Aye Keita, Nimo Hashi, Grace Pawlyshyn, Ava Kalenze, and Mac Ibekwe.

Student and Team Recognitions

2019 AAA Award Recipients

Jenna VanSickle and **James Wald**, seniors, were recognized as 2019 AAA Award recipients at St. Anthony Village High School. Sponsored by the Minnesota High School League, the AAA--Academics, Arts, Athletics--award recognizes and honors high school seniors who have excelled in the classroom, on the athletic field, and in the fine arts.

2019 ExCEL Award Recipients

LEBANESE COOKING WITH LORIE

You won't want to miss this opportunity to learn to make kofta (spiced ground meat kabob/patties) with Lebanese rice pilaf. Kofta is an extremely popular dish served all over the Middle East. The ground beef (or lamb) patty or kabob is like a kicked up hamburger! We will also be making buttery rice pilaf that is the backbone of many Lebanese meals. Both are easy to make and super delicious to eat! No previous cooking skills required. Students will learn

how to prepare the meat mixture, shape the patty, cook it and prepare the rice pilaf. Students will then enjoy their creations plus the celebratory snack at the end of the class.

Lorie is a Lebanese American who grew up watching and working with her grandma preparing traditional Lebanese food and has her own food related Instagram account ([lamwowraya](#)).

THE CHURCH BASEMENT LADIES IN YOU SMELL BARN

From the basement to the barn, your beloved Church Basement Ladies are back and getting busy with life outside the kitchen. After the last of the hotdish is served, the coffee pot is emptied, and the Jello molds are put away, these steadfast, sturdy women head to their farms, peel off their good girdles, and get on with their daily chores. In between picking eggs, milking cows, and dusting knick-knacks, they congregate with some of the other lovable folks who inhabit this rural community: Earl, who delivers the mail up and down Rural Route One; Fergus, the hired man; and Tillie, who chronicles the action for the Fish County Weekly.

With plenty of crazy antics, loads of fresh laughs, and spanking new original songs, YOU SMELL BARN celebrates rural life in the 1950's.

SANBE

Thank you for your contributions to the St Anthony New Brighton Education Foundation. Your support created better educational experiences for all children within Independent School District 282.

The foundation's mission is to provide additional resources that enhance the quality of educational programs in the Independent School District 282. Funds raised by the foundation are used to support a grant program that award money to teachers and staff within the district. These grants support innovative learning opportunities for all district students.

Here are a few of the grants that we funded during the 2017-18 school year:

Margie Jones, Anne-Marie Fischer and Erika Hudson – Preschool and ECCE

Create an outdoor classroom and learning environment. The goal of this outdoor classroom is to engage children, families and the community. This outdoor classroom, modeled on a nature center, enables children and their families to explore, experience and discover the wonders of nature. This is an important initiative as some families in the community have limited options for children to play outdoors at home. Funded in partnership with other funding sources within the district.

Mr. Rademacher – SAMS Language arts 8th grade language arts library expansion.

This grant was used to fill in the gaps in the current classroom library. These books help with a project involving analyzing novels through the lens of individual and cultural identity. Specifically, books were purchased include diversity and groups that are less represented today. Additionally, Mr. Rademacher received a smaller grant earlier in the school year to provide high-interest books to fill out the current classroom library.

Renee Nettleton – SAMS Partnership with 1000 Petals to bring a five-week program for 6th graders enhancing social and emotional skills.

Students will practice social and emotional skills through yoga, guided relaxation, breathing and mindfulness. School staff will also be trained. Funded in partnership with other funding sources within the district.

Jill Westermeyer and Chris Ravndal – Partner with a composer to write a piece of music for St. Anthony Middle School students. A collaboration between students and composer in the songwriting process. After participating, students will perform the work at a concert.
