Bridging the Generation Gap

What started out as a Basic Computer Class for Senior Citizens has become a weekly, inter-generational gathering. The basic computer class (offered through the St. Anthony Community Services) is designed for senior citizens with little or no computer experience. Couple this with middle school aged-students who have much knowledge of the computer and you get an hour of interplay

between generations. It is fascinating to watch the secondary instruction that comes from the Middle School students as they guide the seniors through the World Wide Web, checking emails and investigating the shortest route to a map quest location. The seniors sit down each week and check their emails only to find at least one or two of the new emails from their computer "buddy." What they are unaware of is that the Middle School students rush to the Media Center Computer Lab after school to send them an email that will be opened by their computer partner in just a few minutes.

The class covers instruction on basic computer functions and uses. The first task is the set up of an email account; this is followed up with sending emails, opening emails, adding an attachment, and entering contact information in the file. Everyone can use the map quest function in getting to the location of choice; the added bonus is the aerial map that allows one to actually see the landmarks of that certain location. The class also utilizes Google searches for a variety of topics that are class generated. When asked how we can meet their needs, one of the class members said "I wouldn't change a thing."

The media center is a buzz with the instruction, the encouragement, and the concentration of the two generations coming together with the focus of sharing some basic computer skills and the wisdom and knowledge of a seasoned life. It's a scene that bridges decades and builds a relationship between younger and older learners in our community.

Our New Format

The St. Anthony-New Brighton School District values our relationship with the community and seeks opportunities to communicate with our residents. Through our mission to create a community of lifelong learners, this newsletter contains information, trips and classes previously found in the Senior News.

National Achievement Scholarship Program St. Anthony Village High School

St. Anthony Village High School Senior, Danait Mengist-Teklay was named a Semifinalist in the 2009 National Achievement Scholarship Program. She joins about 1,600 very talented Black American high school seniors in the 45th Achievement Scholarship competition. These scholastically talented students now have the opportunity to compete for approximately 800 scholarships worth over \$2.6 million to be awarded next spring.

The National Achievement Program, conducted by National Merit Scholarship Corporation is a privately financed academic competition that operates without government assistance. It was initiated in 1964 to recognize academically promising black students

throughout the nation and to provide scholarships to a substantial number of the most outstanding program participants. To date, over 27,800 young men and women have received Achievement Scholarship awards worth more than \$91 million. Congratulations Danait!

School Based Mental Health Services Available to Students

School-based mental health therapy is available to all students and families in the St. Anthony School District. Individual and family therapy is used to treat a variety of mental health issues including depression, anxiety, family change, drug/alcohol use, trauma, peer conflicts, and more. Due to the high demand for services, a Nystrom & Associates, Ltd. therapist, Keith TerHaar has joined Andrea Iyegha in the district.

The services are comparable to receiving outpatient therapy in a mental health clinic; yet, our location within the schools provide easy accessibility for families. Appointments are scheduled as frequently as needed and are typically once a week or every other week. Student schedules are taken into consideration when appointments are arranged.

After each visit, Nystrom & Associates, Ltd. bill each student's insurance company for the therapy services. Fortunately, a grant from Hennepin County helps cover services for those families who are uninsured; therefore, any student with a mental health concern can receive services. All school-based mental health therapy remains confidential. Information will not be shared with the school unless we have written permission from the parent. If your child could benefit from these mental health services, please give us a call.

For services at the high school or middle school, call Keith or Andrea at 612-706-1029. For services at Wilshire Park, call Andrea at 612-706-1273.

Wilshire Park in the News

The Wilshire Park Elementary outdoor classroom was featured in the August 20, 2008 issue of the Star Tribune newspaper.

The Wilshire Park courtyard was recently transformed into a garden by the parents of fourth grader Annie Doolan. Bob and Lona Doolan donated time and materials to turn what was once mostly weeds into a colorful garden and outdoor classroom.

St. Anthony-New Brighton School District Projects Open House

Monday, November 10, 7:00-8:30 p.m.

St. Anthony Village High School/Middle School • Lower level parking lot, Auditorium entrance

Parents and community members are invited to gain insight on our progress in designing the upcoming building improvements and to ask questions related to specific projects. The event will be structured to include multiple informational stations focusing on specific project improvements. In addition to dialogue with project team members, attendees will be given the opportunity to submit questions or feedback that may require a more detailed discussion or response.

Adult Spanish Learners at the Middle School

"Dedicate yourself to new learning. As in school or business, commitment is critical to achieving greatness or great brains." -Dr. Daniel Amen, Author of *Change Your Brain, Change Your Life*.

Bonnie Brever, Angie Hugo, Brian Gould,
Kirsten Donohue, Shirley Gregoire

In the St. Anthony Middle School office, the questioning begins, "Did you do your homework? I need to do mine!" The questions are not coming from sixth, seventh or eighth graders, as one would expect. Instead, the conversation is occurring among a group of four adults who work at St. Anthony Middle School. Every Thursday, after school ends, these four learners engage in a thirty minute Spanish lesson with Angie Hugo, St. Anthony Middle School Spanish teacher. "I think it's a really great idea and modeling for the students," says Hugo. Brian Gould, an English teacher for twenty years, exclaimed, "I just really want to learn Spanish. It's fun to incorporate it into class." Reflecting on their new learning, Bonnie Brever, Secretary, shared, "You really have to focus because you want to understand."

Shirley Gregoire, Principal, explained, "We are an MYP candidate school and believe in internationalism. We made it an office goal and it's important to model language learning for our students." St. Anthony Middle School is an International Baccalaureate - Middle Years Program (IB - MYP) candidate school which focuses on three fundamental concepts: holistic learning, intercultural awareness, and communication. While students are using English to express ideas, attitudes and feelings, they are also learning Spanish to develop an appreciation of different cultures. Students often speak Spanish to one another outside of class. The adults wanted to learn the language, incorporate phrases into class and surprise students by testing their comprehension in the hallways. According to Kirsten Donohue, Dean, "It's a humbling experience trying to learn a new language." Gregoire added, "Learning as a group is enjoyable. It's an adventure for all of us."

High School Principal, Tom Keith to Retire

On October 7, 2008, the School Board accepted the retirement of St. Anthony Village High School Principal, Tom Keith. Mr. Keith will retire June 30, 2009, after 15 years of service to the school district.

District Enrollment Announcement Planning for 2009-2010

St. Anthony-New Brighton Schools are currently planning for the 2009-2010 school year and ask that residents who have not previously had a student in ISD 282, but plan to for the Fall of 2009, contact the appropriate school to begin the enrollment process. This is very helpful for district-wide planning and to determine how many open enrollment spaces are available for next year.

Call Wilshire Park (612-706-1200) for kindergarten through fifth grade enrollment, St. Anthony Middle School (612-706-1030) for sixth through eighth grade enrollment, and St. Anthony Village High School (612-706-1100) for ninth through twelfth grade enrollment.

Life Long Learning Opportunities

"Your brain is like a muscle. The more you use it, the more you can use it. New learning causes new connections in the brain. No matter what your age, mental exercise has a global, positive effect on the brain." -Dr. Daniel Amen

"Bridge is a big part of my life. By keeping busy, the brain continues to flourish; you are a more interesting person," according to Mary Kaminski. On September 29, Mary celebrated her 90th birthday. The Wednesday bridge group relies on Mary's organization each week and surprised her with a birthday celebration on September 24. "I feel I still have a full life and do a lot for my age," said Kaminski.

Born and raised in New Jersey, Mary moved to Minnesota in 1963 when her husband Charlie accepted a position as an engineer with Honeywell. Mary had a very busy life as a housewife and mother and chose to go back to work at age 55 as a secretary for Land O Lakes. She retired at age 70, six years after her husband died. She worked for 14 years retiring as a Certified Administrative Manager. Before she retired, Mary pondered, "What am I going to do with my life to continue being busy and keeping my sanity as a widow." She considered spiritual, physical and mental pathways for health; she continued in the choir at church, learned to golf and play tennis, applied for a library card and learned to play bridge. Tennis was a big part of Mary's life and she enjoyed years of tennis vacations where she would play up to 6 hours a day. A year ago, Mary's body starting hurting and she explained, "If I can no longer play tennis, I have bridge to fall back on."

Senior Privileges

Residents of School District 282, ages 60 and older, are entitled to attend school performances and events (such as band concerts, theatrical performances, musical activities and athletic events) free of charge, unless a sellout is anticipated. Passes can be obtained at the Community Services Office, 3301 Silver Lake Road, between 8:00 a.m. and 4:30 p.m., Monday through Friday. Seniors may also participate in Community Services' sponsored activities at ten percent off the price (excluding field trips and senior citizen activities), unless specified otherwise.

Home Chore Help

The Student Employment Program provides all Senior Citizens living in St. Anthony-New Brighton School District 282 an opportunity to hire students to help with yard maintenance, lawn mowing, moving furniture, light cleaning, window washing, house cleaning, snow shoveling, and more. The suggested minimum salary is \$4.50 per hour (special rates are available for those who qualify) with a minimum of one hour. Senior Citizens are responsible for payment to the student.

Senior Citizens interested in hiring a student should call Northwest Youth and Family Services at 651-486-3808 ext. 3451 Monday through Thursday 8:30 a.m. to 4:30 p.m.

Thanks to Autumn Woods Senior News Collators

Thank you to all the Autumn Woods residents who spent many hours collating the Senior News over the last several years. Without their work and dedication, we could not have reached the approximately 1,700 senior citizens within our community. A special thanks to Rose Fitzjerrells and her staff at Autumn Woods for their valuable assistance.

Seven Brides for Seven Brothers

CHANHASSEN DINNER THEATRE

Date: Wednesday, February 18, 2009

Fee: \$70

Trip # 5206-W09A

The classic boy-meets-girl love story of Millie and Adam has it all –award-winning musical score, amazing dancing and a romantic happy ending seven times over. Set in the Oregon wilderness, it begins with love at first sight between Millie and a handsome backwoodsman who whisks her away to his cabin in the mountains. There she discovers she is expected to keep house not only for her new husband, but also for his six sweet, but delightfully uncivilized brothers. Her plan to civilize and marry them off backfires when they kidnap six women from the neighboring town to be their brides. The audience will be swept away by this charming musical comedy.

**Please Note: There are a few steps to go up or down in the theatre.*

Registration Deadline: Friday, January 16th

Depart: 10:30 a.m. St. Anthony Community Center (north end upper parking lot)

Approximate Return: 5:00 p.m.

Katie McMahon's Irish Performance

EDINBURGH USA

Date: Monday, March 16, 2009

Fee: \$60

Trip # 5208-W09A

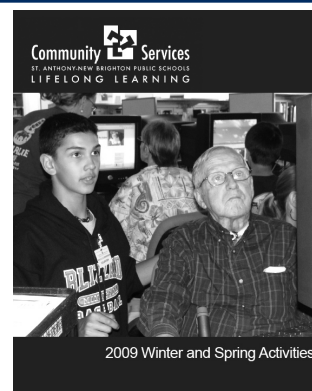

Join us for a wonderful Irish celebration! Arrive at the Edinburgh USA ball-room in Brooklyn Park and relish in the elegance and charm of this graceful Scottish manor. The chef has prepared a delicious cuisine suitable for the occasion: garden salad, savory Irish stew served in a bread bowl, freshly baked artisan sourdough baguette with sweet butter, coffee, tea, and Bailey's Irish Cream mousse cake.

After lunch we will enjoy a wonderful performance by Katie McMahon. She is probably best known for her exquisite soaring soprano solo in the original Riverdance. Katie was born in Dublin and was classically trained in voice and harp. She was awarded best folk and acoustic artist by the MN Music Academy. This will be an opportunity to celebrate the culture, music and dance of Irish culture with beautiful Irish ballads, lively Irish dances and numbers from Riverdance.

Registration Deadline: Friday, February 20th

Depart: 11:00 a.m. St. Anthony Community Center (north end upper parking lot)

Approximate Return: 2:30 p.m.

The Community Services 2009 Winter and Spring Brochure will be delivered by mail to residents the first week in November. Please refer to the brochure for information about classes and trips for learners of all ages.

SANBE NEWS

St. Anthony New Brighton Education Foundation

\$9000+ Granted to District 282 Programs during 2007–2008

The SANBE Foundation approved eight grants to teachers in District 282 during the 2007–08 school year, offering unique opportunities to a large number of students. Here are some of the grants the SANBE Board approved.

- \$1000 to Virginia DuBois (St. Anthony Middle School). This grant helped the middle school meet obligations under the Middle Years Program of the International Baccalaureate Organization to increase international and cultural understanding. This money went toward the purchase of flags, maps, and posters (hung in the middle school building) and also toward setting up a way to offer and keep track of mandatory community service projects in which the students participate.
- \$1310 to Troy Urdahl and Shirley Gregoire (St. Anthony Middle School). This grant created an after-school program that challenged students to build and program robots from LEGOS. Students worked in teams, competing against each other while using problem-solving skills and creativity.
- \$276.80 to the Gifted and Talented instructors (Wilshire Park). This grant will purchase 12 books for all teachers to use in developing new strategies and techniques for meeting the academic needs of gifted students.
- \$750 grant to Michael Shafer (MS/HS Choir Director). This grant will provide an opportunity for the choirs to record a CD. This recording could be used as a fundraiser in the future but also would act as a tool to measure the achievement of the choirs.

Additional grants were made to the Young Writers Conference, SAV Knowledge Bowl, and Wilshire Park summer reading program.

ITALIAN DINNER A HUGE SUCCESS

Thank you to all who attended this year's Italian Dinner! On Friday, October 3, over 700 Village residents, district alumni and students, friends, and relations came to the high school cafeteria to enjoy a meal catered by Marino's Deli of northeast Minneapolis. Your ticket purchases increased SANBE's funds by over \$3300, which supports extraordinary programs for our students.

PLEASE CONTRIBUTE TO SANBE

The Saint Anthony New Brighton Education Foundation is a non-profit 501(c) 3 organization founded in 1990 to support Independent School District 282. SANBE provides grants that encourage district staff to develop programs that extend and support the existing curriculum. Contributions come from the community, individuals and families, and local businesses and community organizations.

Contributions to SANBE are tax deductible, and 100% of your donation is passed on to support the students of District 282. You can contribute your time as well as your money. Please consider joining the SANBE Foundation. We typically meet on the fourth Monday of the month throughout the school year.

Also, review our web site by clicking on the SANBE link on the District web site: www.stanthony.k12.mn.us.
