### **Dear Community Members,**

Congratulations to the 162 graduates in St. Anthony Village High School's Class of 2017! The mission of our school district is to educate, prepare, and inspire a community of lifelong learners. We are grateful for families, neighbors, and friends who, in multiple ways, serve as role models and support the growth of our students. Through that support, we are proud of the leadership, gifts and talents our students share with and contribute to our community.

Young families continue to move into our community for our schools. In the 2016-2017 school year, 705 students attended Wilshire Park Elementary School and 94% were residents. Our district closed open enrollment at Wilshire Park three years ago and our resident enrollment continues to increase. From 2012 to 2016, our resident student enrollment in grades K-5 at Wilshire Park increased from 76% to 94% and, in grades K-12, increased from 59% to 72%. Enrollment of resident students at Wilshire Park has increased and is projected to range from 795 to 963 in the 2025-2026 school year.

Our School Board passed a resolution on March 21, 2017, to hold a Special Election on Thursday, September 7, 2017. The ballot contains one question which asks voters to consider a bond referendum for \$14,060,000 for additional classrooms at Wilshire Park. Learn more about the referendum on pages 2 and 3.

Our school district remains in positive financial health. For the sixth consecutive year, St.

*Valedictorians Victoria Peluf and Jordan DeWester address their peers in the Class of 2017 at graduation on Friday, June 9, 2017.*

Anthony-New Brighton School District received the Certificate of Excellence in Financial Reporting Award from the Association of School Business Officials (ASBO) International for having met or exceeded the program's high standards for financial reporting and accountability. St. Anthony-New Brighton School District was recognized for its Comprehensive Annual Financial Report for the fiscal year ending June 30, 2016.

Thank you for your continued support of our schools.

Sincerely,  
**Robert Laney, Superintendent**

## September 7, 2017 Referendum Q & A

### Why is the school district hosting a Special Election on September 7?

The School Board passed a resolution on March 21, 2017 to hold a special election seeking voter approval of a ballot question authorizing the issuance of \$14,060,000 in general obligation school building bonds for Wilshire Park Elementary School. A September election allows our school district to attract more competitive bids for the project, obtain lower interest rates on the bonds, begin the project in Fall 2017, and allow completion by September 2018 to accommodate our increasing resident student enrollment.

### What does the proposed plan include?

The proposed plan includes eight new classrooms and renovated learning spaces, a secure entrance and office, enhanced bus loading and unloading area, additional bathrooms, gymnasium, and expanded seating in the cafeteria.

### I thought there was a plan to construct classrooms on the east side of the building and construction was scheduled to start in March 2017. What happened?

With increasing resident student enrollment at Wilshire Park, our District engaged in an expedited process to construct additional classrooms at Wilshire Park with the goal to have classrooms ready by September of 2017. In the process to prepare the east side of the building for construction, soil testing occurred in late December. The soil assessment indicated soil would need to be corrected or a different foundation would need to be constructed to support the addition; therefore, increasing the projected cost by approximately \$500,000. Administration reviewed the construction budget and determined the increased cost could not be absorbed within the funding structure (lease levy authority) without significantly reducing the number of classrooms which are needed to serve our increasing enrollment of resident students.

### Families are moving into our community. How is that impacting our schools?

As young families move into our school district, our enrollment of resident students is increasing. Enrollment of resident students at Wilshire Park has increased and is projected to range from 795 to 963 in the 2025-2026 school year. In the 2016-2017 school year, 705 students attended Wilshire Park and 94% were residents. From October 2012 to 2016, the resident student population in grades K-5 at Wilshire Park increased from 76% to 94% and, in grades K-12, increased from 59% to 72%. Our District closed open enrollment at Wilshire Park before the 2014-2015 school year. In September 2017, 100% of students in kindergarten, first, second, and third grades will be resident students. The school district established enrollment targets for each grade level and utilizes a lottery system for accepting open enrollment applications when space is available in a specific grade. As our resident student population increases, however, our ability to accept open enrollment applicants is also decreasing in grades 6-12.

### + Enrollment at Wilshire Park

School Year	Resident Students	Non Resident Students	Percentage of Residents
2012-13	480	150	76%
2013-14	546	143	79%
2014-15	596	104	85%
2015-16	634	65	91%
2016-17	661	44	94%

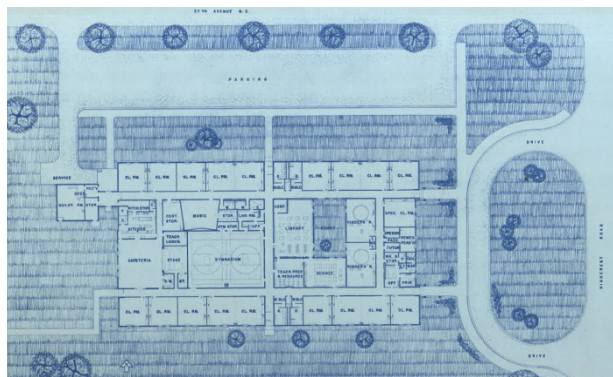

Open Enrollment was closed at Wilshire Park in 2014-2015

### What is the plan for a school age care room at Wilshire Park?

Children enrolled in our district's before and after school program are transported by bus to and from St. Anthony Community Services. By hosting the school age care program at Wilshire Park, our District can save approximately \$20,000 in transportation costs. Students in our school age care program are served from 6:30 to 9:00 a.m. and 3:35 to 6:00 p.m. The classroom will be used for band lessons, gifted and talented programs and other student support programs during the school day.

## September 7, 2017 Referendum Q & A

### What is the history of additions at Wilshire Park?

Wilshire Park was built in 1967 (original blueprint at left) and, in 50 years, the community voted in support of two additions. In 1994, our community supported a bond referendum to add the multipurpose room, fifth grade classrooms, and media center. In 2008, our community supported a bond referendum to construct the STEM (Science, Technology, Engineering, and Math) lab at Wilshire Park.

### What has been the history of the District's tax rates?

The School Board is committed to keeping property taxes as stable as possible. In an effort to keep property taxes stable, the School Board refinanced existing bonds and the lower interest rate results in savings of approximately \$230,000 a year for our taxpayers beginning in 2018.

### How do I learn more about the referendum?

St. Anthony-New Brighton School District is hosting one-on-one meetings for residents to learn more about increasing resident enrollment and its impact on space at Wilshire Park. If interested in attending a meeting, please contact Wendy Webster at 612-706-1170.

Since 2012, St. Anthony Village High School has been recognized five times by U.S. News & World Report as one of America's Best High Schools.

## Youth Day at the Capitol

Students from St. Anthony Middle School participated in Youth Day at the Capitol on March 21, 2017. Sponsored by Minnesota Alliance with Youth, the event provided training on advocacy, leadership and civic engagement opportunities for youth to participate in the legislative process. Student participants from St. Anthony Middle School and teacher Julie North met with Senator Carolyn Laine and Representative Mary Kunesh-Podein.

## Nutrition Services Introduced Minnesota Thursday

FRESH, LOCAL LUNCH  
FOR GREAT, LOCAL KIDS

St. Anthony-New Brighton School District recognizes that a school environment which supports healthy eating and physical activity also promotes students' health, well-being, and ability to learn. Introduced on Thursday, March 2, Nutrition Services began offering a local menu which serves as many items as possible from within a 300-mile radius. The first local menu featured Ferndale Market Turkey Hot Dogs from Cannon Falls, MN alongside homemade coleslaw using cabbage from Jim Mares & Sons in Bear Creek, WI and milk from Agropur from Minnesota and Wisconsin cows.

## Mr. Springman Recognized as Teacher of the Week by KS95

Scott Springman, a fourth grade teacher at Wilshire Park, was recognized as Teacher of the Week by KS95 radio station. A fourth grader and her mom recommended Mr. Springman for the honor as a way to thank him for tutoring her twice a week during lunch. Mr. Springman was presented with a plaque by representatives from KS95 at a school assembly.

Wilshire Park hosted Wellness Week to encourage students to try new foods. On Try it Tuesday, students could taste a rainbow of fruits and vegetables at lunch and, if they tried three, they received a sticker. On Taste Test Thursday, students tried a new recipe at lunch and rated the meal: "Like it", "Love it", or "Don't like it yet".

## K-Kids Collect Supplies for Ronald McDonald House

K-Kids is a service club for fifth grade students at Wilshire Park Elementary. This spring, K-Kids organized and promoted a school-wide food and supply drive for the Ronald McDonald House. Students sorted, counted, and packaged the items before they were delivered. In addition to this project, K-Kids also volunteered at St. Anthony Health Care Center and Feed My Starving Children.

## Wilshire Park Welcomes Author Marian Hassan

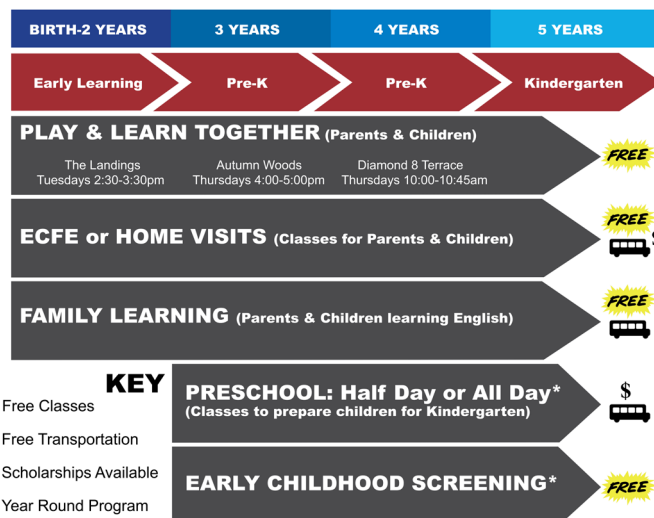

Wilshire Park Elementary School welcomed children's author Marian Hassan to an Equity night on May 1. Hassan's theme for the evening was expanding the circle and using books to expand the lenses through which children see the world. As a writer, Ms. Hassan's love of literature began at an early age as she listened to relatives tell Somali tales, a natural backdrop of the rich oral culture of her native Somalia. She is the author of bilingual children's books: *Bright Star*, *Blue Sky* and *Dhegdheer, A Scary Somali Folktale*.

## Early Childhood Programs at St. Anthony Community Services

St. Anthony-New Brighton School District provides high quality early childhood programs at St. Anthony Community Services including Early Childhood Family Education (ECFE), half day preschool, and all day preschool classes at St. Anthony Community Center. Our early childhood teachers collaborate with kindergarten teachers to ensure children are prepared academically and socially when they begin kindergarten at Wilshire Park Elementary School.

St. Anthony Community Services Preschool is one of only two Four Star rated programs in St. Anthony. "To earn a Four Star Rating, programs are excelling in the use of best practices in preparing kids for kindergarten," as stated on the Parent Aware website.

## Welcoming Parents and Children to Our Community

St. Anthony-New Brighton School District's Early Childhood Family Education program hosted a Baby Brunch on Saturday, March 25, 2017. In partnership with the St. Anthony Library, Ehsan Alem, youth librarian, and Val Anderson, parent and family educator, welcomed nine babies and their parents to our school district community. From April 1, 2016 to March 31, 2017, 90 babies were born in St. Anthony-New Brighton School District.

## Family Learning Program at St. Anthony Community Services

St. Anthony-New Brighton School District provides free English language classes for parents and children in our community. The Family Learning Program includes free classes for parents who want to learn English and early childhood learning for their children ages 6 weeks to five years of age. Improve your English skills and help your child be successful in school.

The preschool programs at St. Anthony Community Services were awarded a Four Star Rating by Parent Aware in 2013, a voluntary program coordinated by the Minnesota Department of Human Services and the Minnesota Office of Early Learning. To receive a Four Star Rating—the highest possible—St. Anthony Community Services demonstrated its quality early education programs and use of best practices to support school readiness.

St. Anthony Community Services hosted three family nights for parents and children birth to age five. Families engaged in service projects in November; Science, Technology, Engineering, Art, and Math (STEAM) focused activities in February, and explored food, music, art, and languages at a Cultural Family night in April.

## Building Community, Respect Across Differences

The vision of the St. Anthony New Brighton Family Services Collaborative is to *develop healthy, well-adjusted youth, supported by informed and caring families in a welcoming and concerned community.* The St. Anthony New Brighton Family Services Collaborative recognized that, in order to achieve our vision, we needed to take proactive steps to become a place where every resident has access to a high standard of living, where all families and children feel welcome and are accepted for who they are, and where we appreciate differences in cultural, racial, and national identities as a rich foundation for growth that serves us all.

RACIAL EQUITY  
minnesota network

In November 2016, St. Anthony New Brighton Family Services Collaborative developed a partnership with Racial Equity Minnesota to build a long-term community engagement process around racial equity and racial justice. During the past four months, we hosted twelve community meetings with youth and adults to understand how race impacts our residents in our community.

**Our goal is to mobilize the St. Anthony community to work together to build community, cohesion and a shared vision for equity and growth.**

St. Anthony New Brighton Family Services Collaborative is committed to building a grassroots process that respects all voices, is inclusive of all community members, focuses on community decision making, and holds itself accountable to measurable outcomes.
