## Celebrating the Inaugural Hennepin Youth Sports Program Capital Grant at Central Park

*Celebrating the completion of the inaugural Hennepin Youth Sports Program capital grant at St. Anthony Village's Central Park on May 17th, 2010 are, from left to right, Jim Wehr, St. Anthony Baseball Association; Bill McReavy Sr., resident; Mayor Jerry Faust; Hennepin*

*County Commissioners Mark Stenglein and Peter McLaughlin; School Board Chair Barry Kinsey; Gary Goldsmith, President of St. Anthony Sports Boosters Association; and Dave Evans, School Board.*

Elected officials and representatives from local youth sports organizations celebrated the completion of a \$345,000 Hennepin Youth Sports Program capital grant. "St. Anthony Village is one of our inaugural Hennepin County youth sports recipients. I'm glad Hennepin County could step to the plate and help provide additional money for libraries and youth sports. ... St. Anthony has a lot compacted into that small area. The additional lights and bleachers add a great deal of capacity to those heavily used

fields," explained Hennepin County Commissioner Mark Stenglein. Of the eighteen capital projects approved, St. Anthony-New Brighton School District received the largest grant.

Central Park, which is shared jointly by the City and School District, is St. Anthony Village's largest and most utilized community park for recreation and youth sports activities. In 2009, the school district hosted over 600 practices on the fields in Central Park for its middle and high school teams and over 2000 youth participated on a St. Anthony Sports Boosters' sponsored baseball, softball, football, or soccer team.

The grant process encouraged applicants to work cooperatively with non-profit youth organizations and required matching funds. The City of St. Anthony Village provided significant support and matching dollars were provided by the St. Anthony Sports Boosters, St. Anthony Baseball Association, St. Anthony Dugout Club, and St. Anthony Huskies Diamond Club.

Superintendent Dr. Rod Thompson described the event, "As I stood on the field with students, Hennepin County commissioners, Minnesota State representatives, Mayor Faust, City Council and School Board members, it became really clear to me the enormous magnitude of this project. I was very humbled to be part of a community in which our project was one of the inaugural Hennepin County grants. The first pitch was symbolic as our project was the first to be completed. I am very grateful to be part of this Village and its school district."

***"These entities are a model for local government units working together to keep facilities focused on youth athletics and providing St. Anthony Village students valuable open space and sports facilities."***

Eric Brever, grant writer and 1997 graduate of St. Anthony Village High School

## St. Anthony-New Brighton School District Receives Minnesota Department of Education's 2010 School Finance Award

*Leah Slye, School Board Treasurer, Kristen Hoheisel, Director of Business Services, and Barry Kinsey, School Board Chair accept the 2010 MDE School Finance Award.*

For the third consecutive year, St. Anthony-New Brighton School District received the School Finance Award from the Minnesota Department of Education (MDE). St. Anthony-New Brighton School District, one of sixty-eight traditional school districts to be awarded, was notified through a congratulatory letter from Alice Seagren, Commissioner of MDE. "This award reflects a compliance with Minnesota Statutes on selected finance issues. It also reflects a proactive stance by the district on positive fund balances, sound fiscal policies and practices, training initiatives, and accountability," commented Commissioner Seagren. St. Anthony-New Brighton School District also received this award in 2008 and 2009.

*A legacy of excellence*

## John Mondati's Legacy Pledges Support to St. Anthony New Brighton Endowment Foundation

John Mondati was a community member who loved St. Anthony-New Brighton School District. Foundation Chair Leah Slye shared, "Mr. Mondati believed our district was something special and he always desired what was best for our students." Mondati and his wife Kay, who did not have children of their own, lived in St. Anthony for fifteen years; however, the former pharmacist was dedicated to the students in this school district. In 2007, Mondati donated defibrillators that were installed in the St. Anthony-New Brighton Schools.

John Mondati died on September 18, 2009; yet, his legacy continues. In 2008, Mondati pledged \$100,000 to the St. Anthony-New Brighton Endowment Foundation if the Foundation could match this contribution. The Foundation is eagerly seeking donors to help match this generous pledge. "The purpose of the Endowment Foundation is to support St. Anthony-New Brighton School District's continuing commitment to academic excellence and opportunity by providing a long-range funding source. Contributions will be invested and the income used to prevent programming cuts during difficult economic times," said Slye.

To learn how you can be part of the legacy or to make a contribution, visit <http://www.stanthony.k12.mn.us/foundation> or call Leah Slye at 612-781-3982.

## St. Anthony Middle School Students Create Mural; Raise \$4,600 for H2O Service Project

*"We need to look outside of St. Anthony, outside of Minnesota. We need to see the entire world."*  
Ginny Kagol, sixth grade humanities teacher

St. Anthony Middle School embarked on a school wide service project through H2O For Life. The project supported their mission as an International Baccalaureate Middle Years Programme—to help students develop the knowledge, understanding, attitudes and skills necessary to participate actively and responsibly

in a changing world. H2O For Life (<http://www.h2oforliveschools.org/>) supports clean water initiatives by matching schools in North America to schools in other countries that are in need of drinking water and sanitation. For the past two months, students participated in several activities and raised \$4,600 to build a bathroom or wash station at Nankanga Secondary School in Tanzania.

The school wide service project supported what students learned in class about clean water. One highlight of the project was a mural created by sixth grade students which spans fourteen walls. The students designed images depicting the lack of clean drinking water and limited access to sanitation facilities in the Nankanga community. The images were attached to walls with material that was donated by Ritrama. Art teacher Chris Weihe explained, "this project highlights how contributions from business can impact a school. In turn a school can impact the world."

On Tuesday, June 1, St. Anthony-New Brighton School Board members accepted the resignation of Principal Dr. Shirley Gregoire. Dr. Gregoire has been hired by Hopkins Public Schools as the principal at West Junior High. Dr. Gregoire served twelve years in our district and, for the past nine, was principal at St. Anthony Middle School.

## St. Anthony Middle School Team Secures 2nd Place at 2010 World Affairs Challenge

Congratulations to the St. Anthony Middle School students who competed at the World Affairs Challenge on March 6 at Macalester College. The challenge, sponsored by World Savvy, asked students to research the issue of water and propose solutions to be implemented on a local, national and global level. The following students placed at the competition:

- Eighth graders Anna Gustafson, Kelly Morris, Natalya Peterson, Kelly Tappe, and Emily Petersen secured second place in the category of Most Creative Presentation.

- Chris Baker (8th grade- 1st place), Sam Kim (8th grade- 3rd place), Thu Nguyen (8th grade- 1st place), and Emily Petersen (8th grade-2nd place) for their presentation of solutions in the category of Best Collaborative Question.

- Sylvia Bueltel (7th grade), Molly Jansen (8th grade), Sam Kim (8th grade), Kelly Morris (8th grade), and Ana Sola (7th grade) each won a Rising Star Award. This award is given to students who shine during the competition.

## Wilshire Park's Meet and Greet Scheduled for Tuesday, September 7th

Meet and Greet at Wilshire Park will be held on Tuesday, September 7th. Families are invited to come to school on the staggered schedule outlined below based on the first letter of their child's last name. Families are encouraged to stop in and meet the teacher. Student photos will also be taken during this time. If the assigned time conflicts with a family's schedule, please come at one of the other times. Families will receive Back-to-School information in the mail in mid-August.

**Wednesday, September 8th will be the first day of regular classes at Wilshire Park.**  
**School buses will be available to transport students to and from school.**

**Congratulations to Wilshire Park students! They raised \$1,657 for UNICEF's relief efforts in Haiti!**

Sixty students from Wilshire Park delivered May baskets to the residents at Chandler Place on the morning of May 12. The project was organized by K-Kids, a service club at Wilshire Park which is sponsored by St. Anthony Kiwanis.

## Congratulations to the Destination Imagination Team

Wilshire Park's Destination Imagination team Blue Cream Cheese Puff Elephants from Mars won first place at the North Metro district competition on March 13th at Blaine High School. The team advanced to the state competition in April at Anoka High School and won the highly prestigious DaVinci Award for exceptional creativity—the only award available to elementary teams. At competition, the team performed a seven minute skit addressing the You're Gonna Flip challenge with advanced puppetry, character flip, and live visual art.

# SANBE NEWS

*St. Anthony New Brighton Education Foundation*

## Twenty-first Century SANBE

The SANBE Foundation began in 1990, before Facebook and iPods, but that hasn't stopped us from riding a wave of technology into the future.

## SANBE on Facebook

We send up-to-the-minute news to our 77 Facebook fans. If you are on Facebook, become a fan of SANBE and post on our wall: <http://www.facebook.com/pages/SANBE-Foundation/209100785624>.

## Teaching with iPods

Dolly Smyth, music teacher at Wilshire Park Elementary, requested funds to purchase Apple iPod Touches to help teach music to students. SANBE was intrigued by the potential the iPods have in engaging students. More importantly, this idea designed music instruction specifically to individual students, all in the palm of their hands. "The students can't wait to have their turn," Smyth said. "They are really learning about music—but they just say, 'It's fun!'"

## New Fundraiser for SANBE

In May, SANBE announced a pilot program to make school supply shopping a whole lot easier for parents of Wilshire Park students. We are selling packages of teacher-recommended supplies to families who want to participate in the program. Packages contain the majority of supplies—which can be difficult to find and can require multiple trips to several different stores. Part of the proceeds will go into SANBE's treasury, which goes right back to the students in the form of grants for innovative educational programs beyond the scope of the regular district budget—programs like Dolly Smyth's music education iPods!

## Other news

SANBE again helped the high school's RoboHuskie team, which made it to the national competition in April; funded a workshop at Silverwood Park for Wilshire Park art students; granted money to purchase a Wii Fit for secondary special-ed students; and helped many other teachers reach students in unique ways.

## **St. Anthony Village High School Hall Of Fame Nominations Due June 30**

Do you know of a St. Anthony graduate who exemplifies success? Consider nominating them for the St. Anthony Village High School Alumni Hall of Fame. The Alumni Association seeks community input to nominate individuals who have contributed to civil and/or community service or demonstrated success in their profession.

The St. Anthony Village High School Alumni Association will recognize distinguished alumni in October and induct them into the 2010 Hall of Fame, which honors SAVHS graduates for contributions to their community or profession while promoting models of lifelong success to current SAVHS students.

Nominations received by June 30, 2010 will be evaluated by the Alumni Association Hall of Fame Committee and can be submitted online at: <http://www.stanthony.k12.mn.us/hof/contactus.html>.

Nomination forms are also available in the St. Anthony-New Brighton School District Office, 3303 33rd Avenue in St. Anthony.

Nominees must be SAVHS graduates who graduated prior to 2001, have demonstrated success in job-related achievements, were awarded professional honors, recognized for community involvement and personal accomplishments, or have made a positive impact on the St. Anthony-New Brighton School District.

*The 2009 Hall of Fame inductees pictured, from left to right, Dr. Jay Knutson, Dr. Lisa Schrenk, Col. Mark Vijums, and Mark Hess. Dr. Bob Rebelein is not pictured.*
