Greetings From Your School Board

We want to share the exciting changes that have occurred in our middle/high school building that benefit both our students and community. Similar to projects that we undertake in our homes, several projects were completed on schedule and others encountered unforeseen delays and will be completed during winter break or in the summer of 2011. We are thrilled to finish two years of renovation and construction projects!

New Cafeteria

Our food service facility at the middle/high school building, which is pictured on this page, was renovated and has increased the healthy meal options available to students. The new, versatile space has also hosted several concerts, play practices, and community events. The final step of this project is installation of the new floor, which is scheduled for summer 2011. Installation was delayed to allow moisture in the concrete to decrease to proper levels.

Auditorium

Important safety improvements were made to our auditorium by adding a new curtain and stage rigging. Over winter break, seats were replaced and new carpet was installed.

Pool Locker Rooms

Our community will notice significant changes in the pool locker rooms which are now equipped with new showers, toilets, lights, tile and paint. New lockers were also installed during winter break.

Stadium Field

Renovations to stadium field solved drainage issues, resulting in healthier grass which sustains more use. These improvements benefit our school and community sports groups who use the field.

The past two years of renovations have resulted in significant benefits for our learners. We are pleased with the improvements at Wilshire Park Elementary, St. Anthony Middle and St. Anthony Village High School.

As your school board members, we want to keep you informed about what is happening in our school district. Updates are also posted to our district website: www.stanthony.k12.mn.us. Thank you for your support of St. Anthony-New Brighton School District!

St. Anthony-New Brighton High School Teacher Recipient of Outstanding Science Teacher Award

Sorcha Nix, Dr. Chris Hergenrader, and his daughter Emily, a student at St. Anthony Middle School, attended the recognition dinner on October 14.

Dr. Chris Hergenrader, a life science teacher at St. Anthony Village High School, was one of six recipients of the 2010 Outstanding Science Teacher Award from the University of Minnesota, College of Biological Sciences. Dr. Hergenrader was recognized on October 14 at the annual College of Biological Sciences Recognition and Appreciation Dinner.

The College of Biological Sciences recognizes that excellent high school teachers have a tremendous impact on the academic and personal success of students. To honor these special individuals, students are invited to nominate a former teacher for the college's "Outstanding Science Teacher Award." Dr. Hergenrader was nominated by Sorcha Nix, a 2010 graduate of St. Anthony Village High School.

Coffee and Conversation with Dr. Thompson

Parents and community members are invited to a small, informal gathering with Superintendent Dr. Rod Thompson to learn about what is happening in our school district and take a tour of the renovated secondary building.

Meetings are scheduled from 7:15-8:00 a.m. on Thursday, January 20th and Thursday, April 28th. Call Mary Law at 612-706-1002 to make a reservation. Space is limited.

St. Anthony New Brighton Endowment Foundation Announces Remarkable Matching Opportunity

The St. Anthony New Brighton Endowment Foundation is eagerly seeking donors to help match a generous pledge of \$100,000 from the estate of John Mondati, an active community member and supporter of St. Anthony-New Brighton School District. To secure the Mondati pledge, the Endowment Foundation has a limited time to raise \$100,000 in matching donations. Mondati wanted to ensure that high quality education provided by our school district would not be compromised or diminished by the lack of state funding. He believed an endowment fund could help protect and enhance valuable programs in our school district.

The purpose of the Endowment Foundation is to support St. Anthony-New Brighton School District's continuing commitment to academic excellence and opportunity by providing a long-range funding source. Contributions will be invested and the income will be used to prevent programming cuts during difficult economic times.

To contribute to this match or to learn more about the Endowment Foundation, contact Leah Slye, Foundation Chair, at 612-781-3982 or visit www.stanthony.k12.mn.us/foundation.

Jazz Band and Chamber Choir Prepare for Spring Concert Tour

Forty-four students from the St. Anthony Jazz Band, directed by Andy Erickson, and Chamber Choir, directed by Michael Shafer, are preparing for their concert tour where they will be performing in Nagykanizsa, Hungary and Salo, Finland—St. Anthony's sister city. The group, which leaves on March 24, will have ten days of concert performances, time shadowing their host students at secondary schools, sightseeing, and cultural experiences with host families.

Arrangements for the tour were established by St. Anthony Village High School Principal Wayne Terry and Superintendent Dr. Thompson during their visit to those countries in May, 2010. Through connections established with administrators and teachers in each school, Mr. Terry and Dr. Thompson were welcomed into the school communities and, together, created an intercultural opportunity for St. Anthony Village High School band and choir students.

Band director Andy Erickson shared, "Their days are filled with activities and sightseeing and students will have the unique experience of staying with host families in the evenings." Erickson is excited for students to experience life in another country and to "broaden their horizons, interact with other students and families, and learn about the rich history of each country." Mr. Erickson and Mr. Shafer are excited about "sharing our music with our hosts."

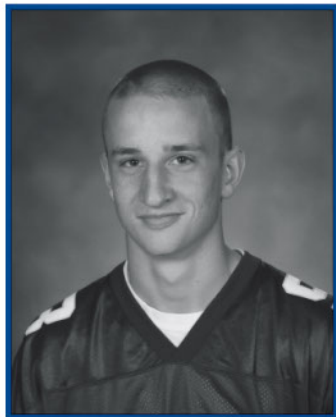

"We are paving the way for a long term relationship with these two schools and we look forward to visits from and to these schools," said Principal Terry. Nagykanizsa and Salo have committed to participating in the International Youth Summit, which St. Anthony Village High School will host in September 2011. Mr. Erickson and Mr. Shafer will utilize their tour knowledge and reciprocate the home stay experience. They have volunteered to chair the home stay committee for the visitors attending the Youth Summit.

St. Anthony-New Brighton School District Updating Student Enrollment for 2011-12

St. Anthony-New Brighton School District is preparing for the 2011-2012 school year and is updating enrollment information on its resident students. Resident parents who are new to the school district, or have yet to enroll a child in the St. Anthony-New Brighton School District but plan to for the 2011-2012 school year, should contact the school and start the enrollment process.

Couillard Earns Perfect Score on ACT Exam

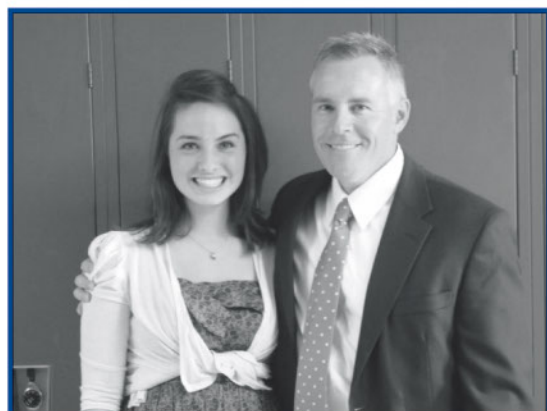

Stephen Couillard, a senior at St. Anthony Village High School, earned the highest composite score of 36 on the ACT college admissions and placement exam. Stephen's perfect score places him in the top one-tenth of one percent of students who take the ACT exam each year.

Newsweek

St. Anthony Village High School Selected as One of America's Best High Schools

For the fifth consecutive year, St. Anthony Village High School was identified by Newsweek magazine as one of America's Best High Schools in 2010. Newsweek's list identified over 1600 of America's Best High Schools. St. Anthony Village High School was ranked 6th among the thirty-one high schools in Minnesota on the list and placed 508th in the nation. Only six percent of all public high schools in the U.S. made the list.

Ennen Featured on KARE 11's Academic AllStar Series

Julia Ennen, a senior at St. Anthony Village High School, was nominated as an Academic AllStar and featured on KARE 11 television. KARE 11's Academic AllStars program honors high school seniors who maintain a 3.5 grade point average and use their leadership skills to make a difference in the school community. To read Ennen's interview with Tim McNiff, visit www.stanthony.k12.mn.us and click on this article.

Student Athletes Compete in State Tournaments

Congratulations to junior Allie Picard for her performance in the region and state cross country meets. At the region meet, Picard ran a 4K in 15:46, the second fastest time in school history.

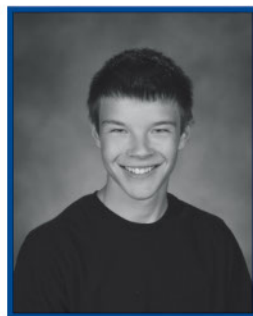

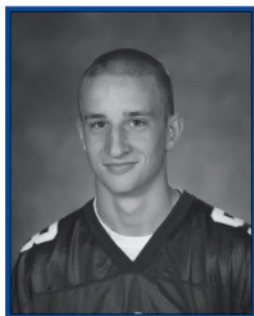

Congratulations to the 17 students on the St. Anthony Village High School junior varsity and varsity bowling teams for their performance in the state tournament. The varsity team placed 16th out of 138 teams while the junior varsity team finished 23rd out of 119 teams.

Aleman Selected to Start Tribune's All-Metro Team

Congratulations to St. Anthony Village High School junior Mario Aleman who was selected to Star Tribune's All-Metro First Team. Aleman has achieved significant accolades for his contributions to the St. Anthony/Spring Lake Park soccer team. He is a three-time All Conference and two-time All-State selection. Aleman is the only player in the history of the STA/SLP soccer program to achieve this many recognitions.

Four St. Anthony Village High School Seniors Recognized as National Merit Semifinalists

St. Anthony-New Brighton School District congratulates St. Anthony Village High School seniors (pictured above, left to right) Jared Burseth, Stephen Couillard, Ben Slye, and Brynna Wilken-Resman for qualifying as semifinalists in the 56th Annual National Merit Scholarship Program. Nationwide, only 16,000—or less than 1% of seniors—qualify to become a National Merit Scholarship semifinalist. These high school seniors will continue in the competition for one of 8,400 National Merit Scholarships, which total more than \$36 million.

St. Anthony Village High School Students Earn Advanced Placement Scholar Awards

Thirty-three students from St. Anthony Village High School have earned Advanced Placement (AP) Scholar Awards in recognition of their exceptional achievement on AP Exams. The College Board's Advanced Placement Program provides students with the opportunity to take rigorous college-level courses while still in high school, and to earn college credit, advanced placement, or both for successful performance on the AP Exams. About 18 percent, of the more than 1.8 million students worldwide who took AP Exams, performed at a sufficiently high level to earn an AP Scholar Award.

At St. Anthony Village High School,

• **Jared Burseth, Kristina Gavino, Andrew Johnson, Emily Krosschell, Anna Kuure-Kinsey, Yubi Park, Benjamin Slye, and Jyll Tusa** qualified for the AP Scholar with Distinction Award.

• **David Callen, Stephen Couillard, Devin Ferguson, Brandon Henry, Daniel Marino, Sienna Nesser, Jordan Sayers, and Brynna Wilken-Resman** qualified for the AP Scholar with Honor Award.

• **Asnat Ghebremedhin, Ben Hintz, Sara Holscher, Rachel Ibes, Cooper Johnson, Daniel Johnson, Jacob Jones, Albin Joseph, Andrea Larsen, Erika Larsen, Daniel Loyas, Sorchia Nix, Gretta Obeid, Joshua Revier, Veronica Tonnell, Destiney Torres, and Stacey Wieman** qualified for the AP Scholar Award.

Huskies SAVory Cookbooks Available for Purchase

The Class of 2012 is selling Huskies cookbooks, a compilation of favorite recipes submitted by St. Anthony parents and staff. Over 200 mouthwatering recipes are included as well as a cooking term glossary and a caloric content chart. Hints on napkin folding and other baking and cooking basics make the book a resource for any kitchen. **Cookbooks are \$10** and can be purchased in the St. Anthony Village High School office, 3303 33rd Avenue NE, St. Anthony. Proceeds benefit the Class of 2012 Prom Committee.

New Principal at St. Anthony Middle School

Principal Renee Corneille was attracted to St. Anthony Middle School because of its size and reputation. "Everyone at St. Anthony Middle School has been very welcoming. I look forward to continuing with the academic successes already established through our International Baccalaureate program," said Corneille.

Students Raise over \$450 for H2O for Life

Students at St. Anthony Middle School hosted a dodgeball tournament and raised \$452.80 for H2O for Life. Their school wide goal is to raise \$5000 to provide students at Kirangari Primary School in Kenya with access to clean water and sanitation facilities.

International Baccalaureate

St. Anthony Middle School is in its second school year as an authorized International Baccalaureate (IB) school and teachers are designing lessons to help students understand a variety of content. Each unit of study is guided by a question that is designed to be: open ended, relevant and engaging, challenging and provocative, and significant. The halls of the middle school are filled with these guiding questions, such as:

Guiding question...

What factors contribute to the formation of societies?

Humanities

Guiding question...

How do humans plan for the future?

Technology

Jan Scholl, music teacher and IB coordinator, highlighted that activities at the middle school align with the IB philosophy. "We are continuing our international focus and community service through H2O projects," Scholl explained. In addition, sixth graders explored the idea, "How does a community work?" and spent a full day at BizTown, a simulation program where students are responsible for the operation of an entire city.

PAW Pride

The PAW pride program is about setting high expectations for behavior among students. Students at St. Anthony Middle School are expected to be Positive, Accountable, World-minded, and Safe and "its great seeing them rise to the occasion every day," said Principal Corneille. When staff members observe students displaying positive behavior, they give students a PAW Pride slip.

The middle school chose to measure good behavior by tracking the number of PAW Pride slips and discipline referrals. The goal at St. Anthony Middle School was to have 5 positive slips for every 1 negative; however, the ratio is currently 7 to 1. Since the beginning of the school year, 1180 positive PAW pride slips have been given to students while only 155 discipline referral slips have been distributed.

"I am proud of the kids for meeting the expectations of positive, accountable, world-minded, and safe. Even more, I am extremely proud of staff members for acknowledging students when they are meeting those expectations," explained Principal Corneille.

St. Anthony Middle School students performed a choir concert in the new cafeteria on December 13.

Wilshire Park Students Exceed Goal, Donate over 2700 Pounds of Food to Second Harvest

Congratulations to Wilshire Park Elementary! The students collected and donated 2747 pounds of food and \$687, exceeding their goal of 2500 pounds. Students in Mrs. Taylor's/Ms. Huspek's third grade class donated the most food items and were chosen to help load the food into the Second Harvest truck. In 2009, Wilshire Park donated 2441 pounds of food to Second Harvest.

Wilshire Park Seeks Volunteers for Tutoring Program

Wilshire Park Elementary School is recruiting volunteers to help students in grades 2-5 with reading, math or homework on Tuesdays and Thursdays from 3:30-5:00 p.m. If you are interested in learning more about this volunteer opportunity, contact Anna Nelson at 612-706-1271.

Deputy Commissioner Klinzing Visits Wilshire Park on Read for the Record Day

Minnesota Department of Education Deputy Commissioner Karen Klinzing visited Wilshire Park on October 7 to commemorate Jumpstart's Read for the Record Day. Deputy Klinzing accompanied Principal Kari Page on a tour of the school before reading *The Snowy Day* by Ezra Jack Keats to the kindergarten classes. Read for the Record is a campaign that brings children and adults together to read the same book, on the same day, in homes and communities all over the world to celebrate the importance of early literacy.

Special Events and Trips for Senior Citizens

American Swedish Institute & Ingebretsen's

Enjoy the holidays as we take a nordic adventure close to home. First, we are off to the American Swedish Institute for the "Christmas in Sweden" program followed by a tasty three course Swedish smorgasbord. The meal will include all your favorites such as Swedish meatballs, cheeses, dilled potatoes, potato sausage, rice pudding, and lingonberries! After lunch, we will take a tour of the Institute and learn about the early Swedish immigrants who settled in Minnesota. The Swedish Institute has an elevator for your convenience. Our next stop will be Ingebretsen's Scandinavian Gift Shop where you will have time to shop and browse their two stores for gifts and edible delights from Denmark, Norway, Sweden, and Finland. Kle deg varmt og ha det gøy! (Dress warm and have fun!)

Old Log Theatre- Jeeves In Bloom

Jeeves In Bloom follows the uproarious mishaps and misadventures of the loveable, loopy Bertie Wooster, who manages time and again to put himself in socially precarious situations, only to be rescued by his brainy butler, Jeeves. Now Bertie finds himself dodging romantic entanglements with a starry-eyed young woman, eluding an enraged chef wielding a meat cleaver, and begrudgingly helping his Aunt Dahlia to commit a burglary. Thank heaven Jeeves is there to save the day. This area premiere comedy is based on the writings of best-selling author, P. G. Wodehouse and is great fun.

SANBE NEWS

St. Anthony New Brighton Education Foundation

Spectacular Turnout for SANBE's Italian Dinner

This year's Italian dinner started SANBE's year with a bang. Over 800 attendees supported the fundraising event, almost twice as many as last year, and certainly the best turnout in years.

We think many of our diners came to inspect the new high school cafeteria, and the late-breaking sun that day may have encouraged anyone put off by the afternoon chill. Whatever the reason for the high turnout, SANBE heard a clear message of support, and we have begun our year of funding with renewed energy.

Thank you for your support.

Proceeds from the dinner allowed SANBE to fund grants this school year for innovative classroom learning. Two grants helped the music programs in our district.

1. Dolly Smyth received a grant to purchase more iPod Touches to allow her Wilshire Park students to work on music skills at levels appropriate to each student.
2. Andy Erickson, high school band director, received a grant to help purchase a portable sound system that the Jazz Band and Chamber Choir can use when they perform in venues away from school.

Additional grants approved this year include:

1. A middle school photography workshop,
2. Tutorials on yoga, Pilates, and other physical education activities that appeal especially to high school girls, and
3. Young Authors' Conference: a workshop to help gifted writers from Wilshire Park develop their skills.

Donations Reach All Students

SANBE's goal is to bring creative learning experiences like these to all students in the district. Can you help us by making a donation today? Your contribution really does make a difference.
