### Facilities Cleaning, Sanitizing, Disinfecting and Ventilation

Requirement(s)	Strategies, Policies and Procedures
<b>* Cleaning, sanitizing, disinfecting, and ventilating learning spaces, surfaces, and any other areas used by students (i.e., restrooms, drinking fountains, hallways, and transportation)</b>	All touchpoints within the school building will be disinfected nightly with a disinfectant included on the list of CDC recommended chemicals to battle Covid-19. During the day, disinfectant and paper towels will be available in every office classroom, athletic area and common space to sanitize furniture and equipment between uses. The mechanical system will operate 24/7 through the school week per ASHRAE recommendations. Air filters have been upgraded, where applicable, to MERV filters. The frequency of filter changes through the maintenance team has been increased to bi-monthly in common areas and monthly within classrooms.
