Pre-Kindergarten: Things to Bring to School

Each week send in a:
- Cot sheet, blanket and lovey (We will send these items home each week to be washed).
- water bottle (We will send this home each week to be washed).

First week of school, please send in:
- A picture of your child for their cubby and one with the family.
- Spare clothes and a spare cot sheet (We will send a reminder when to bring in different clothing as the seasons change).

Reminders
- Apply sunscreen daily.
- We ask that **toys not be brought into school**; a lovey for nap is okay.
- Make sure to label everything that is sent to school!
- Please dress your child in play attire (slip on or velcro shoes only and casual clothing).
- We ask that your child’s lunch be packed in a reusable lunch box. This overall helps your child become more self-sufficient. This style of container stacks nicely and takes up less space.

- If you want to send in hot food, please have it in a thermos-type container and place it in the top part of the cubby. We have a large group and are unable to heat lunches.
