MIDDLE SCHOOL FALL ATHLETICS

Middle school athletics are open to grades 5 through 8

The start date for middle school fall sports is Monday, September 14th.

Please sign up to participate in a fall sport here.

At SPSG, middle school athletics are optional, but we hope your daughter will consider participating.

Middle School Fall Athletics Overview:

We offer the following fall sports for middle school students: Soccer, Field Hockey, Volleyball, Cross Country and a Tennis clinic. Coaches will evaluate students and place them on appropriate skill level teams. Please be mindful that if participation numbers are high, reasonable squad rosters will be set. Students will need their own equipment for their respective sports.

Practices for middle school teams are held on campus four days a week for one hour each day. Typically, these practices are held Monday through Thursday from 3:45 – 4:45 p.m. The exception is the tennis clinic which practices only two times each week for six weeks. The tennis clinic provides an introduction to the sport; there is limited outside competition. More details will be sent as we approach the start of the school year.

A mandatory orientation program will be held for all incoming upper school students on Wednesday August 19th at 5:45 p.m. in the Commons. Middle school families are invited to attend to learn more about the athletic program.

For any additional questions, please contact Athletic Director, Erin Howland, at ehowland@stpaulsmd.org or 443-632-1095.
