Warm Up Week is a four-day, half-day program designed for rising and incoming 5th and 6th grade SPSG students. Our incoming gators get to see old friends, make new relationships and establish a level of comfort with their new SPSG surroundings! It is a wonderful opportunity to meet the teachers and take part in several, interactive interdisciplinary projects. We have fun, play games, and have time to learn about each other. Students also get early access to their lockers for setup and decoration! It is the perfect way to kick off the new academic year in a relaxed way. While it is not mandatory, warm-up week is highly recommended for all incoming SPSG 5th and 6th graders.
