

Hello Forman Families,

We hope this email finds you and your family healthy and enjoying summer.

To help you plan for the upcoming school year, I am attaching the [2020-2021 academic calendar](#). We also will have the following schedule for students to return to campus to allow for a safe and healthy move-in process. We want to ensure that we maintain a low density on the campus as students move into their dorms.

- August 27th – Prefects
- August 30th – Freshmen
- August 31st – New Sophomores, Juniors, & PGs
- September 2nd – Returning Seniors
- September 3rd – Returning Juniors
- September 4th – Returning Sophomores

As we get closer to these dates, I will share with you a time frame to come to campus. These dates are incredibly important for arrival and we ask that you arrive on these days only and within the window of time for your designated group.

The recent guidelines outlined by the State of Connecticut, students coming from outside the United States or states experiencing a high level of COVID-19 transmissions, are required to quarantine for two weeks prior to arrival to campus. It is not necessary to quarantine in Litchfield, just in one of the regional states with low levels of transmission (see the State of Connecticut link [here](#)). We are asking that families work to designate their quarantine locations ahead of arrival to campus. Please let me know your plans as soon as possible. If you are struggling to arrange quarantine plans, please reach out to me as soon as possible as we may be able to arrange for students to quarantine in a hotel with a Forman faculty member who will help coordinate meals and stay at the hotel overnight with students. The cost of the hotel, meals, etc., will be incurred by the family.

We understand this is a challenging time and we want to support your transition back to campus, so please feel free to reach out with any questions or concerns.

We are so excited to welcome you to campus in late August and early September!

All the best,

Allie Maxwell

Director of Student Life
