

# End-of-year important information - May 13, 2020

by  **ISD 282** in

□ MAY 12, 2020

St. Anthony-New Brighton families,

We are now at a point with distance-learning where we are sharing end-of-school-year details. Beginning Tuesday, May 26, through the last day of school on June 4, distance learning and class assignments will look a little different. For the last eight days of the 2019-20 school year, teachers have been asked to reflect upon what we've learned in this time of distance learning, capturing that knowledge so that collectively we can continue to make enhancements to education for all students.

Please know that during these last eight days, students and families will still have access to connect with their teachers. Students will still be required to sign-in to attendance each day, taking the time to finish independent projects and/or missing work.

### Technology return June 4-5, June 8

- Families have the option to keep their Chromebooks over the summer. However, families who do want to return their Chromebooks can drop them off from 8 a.m. to 3 p.m., Thursday, June 4, Friday, June 5, and Monday, June 8, at the high school/middle school building, door 1. Chromebooks should be dropped off in a bag with the charger (if one was given out).
- All Hot Spots will need to be returned by placing them into a bag and dropping them off at door 1 of the middle/high school building. Families who are having meals delivered to their homes, please email [mgrissom@isd282.org](mailto:mgrissom@isd282.org) to request delivery staff to pick up and return their technology (including Hot Spots).
- Seniors do have the option to purchase their device (Hewlett Packard \$170; Samsung \$80). If interested, **please complete this form**.

### Community Services child care information

Emergency Child Care ends Friday, May 29. Starting on Monday, June 1, Community Services will transition to our Summer Child Care program, open to all families, and will include social distancing guidelines as implemented with emergency child care. Paraprofessionals will be available to help with any final distance learning needs. **Register here for Summer Child Care.**

### Free meal information

Pick-up and delivery meals end June 4. We are applying to become a summer site. Please watch for more information at a later date.

### Individual school messages to be sent Friday, May 15

Each of our schools will be sending out messages regarding end-of-year information, such as yearbook status, locker content pickup, library books, events, graduation details and diplomas, grading policies, summer school, and more. Please watch for this information on Friday, May 15.

### Final thoughts

I know there is a ton of information being sent to you, and I appreciate your patience throughout this time. I am grateful to all of our students, teachers, paraprofessionals, support staff, administration, community members and volunteers that have helped make these last couple months such a success. As our teachers take the time to reflect, we will be gathering important information that will benefit our students, our staff and our community as we move forward.

I'm not sure at this time how the 2020-21 school year will begin (with distance learning or in-person learning), nor do I want to focus on that at this time. What I've learned more than anything through this whole ordeal is that we will prepare for whatever comes our way, taking the necessary steps to ensure that learning will be equitable and accessible to all of our students. We are ready. Know this. SANBStrong.

As we make our way to the end of the school year, I want to acknowledge our seniors, Class of 2020. I am so incredibly proud of you— you are leading the way. We are here to support you and honor you. **My message to you.**

If you have any questions about how distance learning will appear starting Tuesday, May 26, please call/text me at 612-298-1979 or email [rcorneille@isd282.org](mailto:rcorneille@isd282.org).

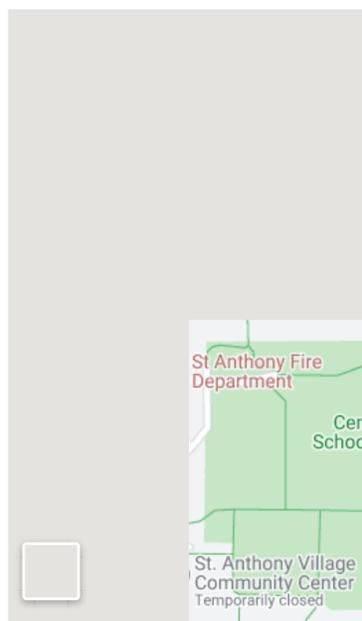

Sincerely,

Superintendent Dr. Renee Corneille
