July 21, 2020

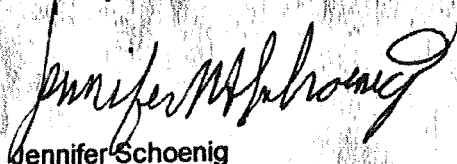

Dear Mr. Hennessey and Mr. Coon,

This letter is to inform you that effective today, July 21, 2020, I will be resigning from my position as Intensive Needs Special Educator at Barre City Elementary and Middle School.

The decision has not been easy and I would like to take the opportunity to say thank you for all the experiences I have had at Barre City Middle and Elementary School. I have enjoyed learning and growing with the school these last few years.

I wish the Barre City Elementary and Middle School and the district every success in the future and thank you again for the opportunities that have been provided to me.

Cordially,

A handwritten signature in black ink, appearing to read "Jennifer Schoenig", written over a printed name.

Jennifer Schoenig

BUUSD Calendar and School Schedule Modifications
A Strong & Healthy Start: Reducing COVID-19 Risks
2020-2021 School Year

Background Information:

BUUSD is engaged in an ongoing process to reopen PK-12 instruction for the fall of 2020 based on guidance from the Vermont Agency of Education and the Vermont Department of Health. The BUUSD Reopening Team includes a number of teaching and administrative staff from each school and the central office. This work is ongoing and will respond to new State guidance.

The guidance from the Agency of Education and Vermont health professionals is clear. It is critical that schools reopen with some amount of in person learning in the fall. Reopening provides our students:

- Learning
- Social emotional well-being
- Connection
- Access to healthy food
- Supports for those in difficult home situations
- Physical Activity

The BUUSD Reopening Team has a list of requirements and procedures as well as hybrid-learning schedules and a modified school calendar to help us achieve the following safety objectives:

- Decrease risk of individuals infected with COVID-19 from entering the school
- Decrease transmission of COVID-19 among staff and students
- Quickly identify individuals with COVID-19 and put containment procedures in place
- Ensure that the special needs of students with physical, emotional and behavioral concerns are addressed in a fair and equitable manner
- Ensure that COVID-19 health guidance and safe-guards are followed to provide an equitable educational experience for all students
