Greetings-

This year has been quite interesting to say the least. The elementary principals, along with Dr. Cost, and other central office staff have been preparing over the last couple of weeks to roll-out the Wyandotte Public Schools' Return to Learn Plan. As parents and practitioners, we understand your anxiety, frustration, and confusion. While preparing a communication plan, it was imperative we did not communicate any misinformation that would add to those feelings. However, the first day is school is almost a month away and some tough decisions have been made.

You have received several communications regarding the Return to Learn Plan. We know these communications can be overwhelming. We have created a folder with the communications you have received thus far. We will also add future communications to this folder. Please check your emails along with other modes of communication your school may use (Facebook, Twitter, Bloomz, Remind, GroupMe, etc...). Feel free to reach out to us with any questions.

We plan on sending more information on August 1, 2020. Staff meetings are convening on Monday, July 27<sup>th</sup> followed by a district leadership meeting on Tuesday, July 28<sup>th</sup>. The goal of these meetings is to involve all stakeholders in the decisions moving forward. Thank you for sharing your questions and concerns with each of us and the board office, as it contributes to our conversations and helps the district in making these tough decisions. We urge you to view MI Safe Start Plan Safety Protocols which is the guiding document for the WPS Return to Learn Plan. We hope the information you receive on August 1<sup>st</sup> will help you determine if your student will participate in face to face learning or online learning with VLAC.

Yes, we lead four different buildings. However, if this year has taught us anything it's together, we are stronger. Creating consistency across the district is vital to the success of our students. We strive to create safe, predictable, positive, and culturally responsive environments.

Your Elementary Principals,  
Crystal, Krizia, Kristin, and Vicki
