YES Prep's Commitment to You

YES Prep's Commitment to You

We are working on a full-scale effort to prepare for the upcoming school year with the health and safety of our students and staff as our highest priority.

We will prioritize the safety of students and staff with increased safety precautions, beyond what is required by the state.

We will remain firmly committed to providing a college ready education.

We will provide families with two high quality school program options.

We commit to increasing technology access for all students.

YES Prep Partnership Families

- YES Prep Hoffman • YES Prep Eisenhower •
- YES Prep Northbrook MS • YES Prep Northbrook HS •

We are working closely with our district leaders in Aldine ISD and Spring Branch ISD to align our School Program Options with our partners. Some of the information in this guide may be different for our partnership schools. Read through the guide and review the summary information in Section 8 for details on what information is the same, different, or undecided for your school.

YES Prep Health and Safety Protocols

Health and Safety Protocols

YES Prep will follow CDC Guidelines. If a student has symptoms of COVID-19 while on campus, the student will immediately be isolated in the designated area and their parent/guardian will be called and be expected to pick up their student(s) immediately.

Enhanced cleaning protocols have been put in place as a result of COVID – 19 and are based on current local health and government guidelines. Additionally, hand sanitizer, portable hand sanitizer dispensers, spray cleaners, and disinfectant wipes will be available in various locations across each campus.

Health and Safety Protocols (cont.)

We will require all students to wear masks while on campus. Students will have “mask breaks” during mealtimes and while outside.

YES Prep staff members will use a contactless thermometer to take students' temperature every morning in the drop off/carpool line for car riders and at the bus entrance for bus riders.

We will require students to sanitize their hands at all entry points and regularly throughout the day via frequent hand washing and the use of sanitizer.

We will enforce social distancing whenever possible at all campuses.

Health and Safety Protocols (cont.)

All students will be temperature screened upon arrival to school. More information on drop off and pickup lanes and traffic flow for your school will be shared in late July/early August.

All students will continue to have access to free breakfast and lunch regardless of the School Program Option chosen. We are committed to serving students healthy meals via grab n' go breakfast and breakfast in the classroom, and we will serve a hot lunch to students in their classrooms or socially distanced in the cafeteria.

Buses will be cleaned and sanitized daily, and all drivers and monitors will be required to wear masks and/or face shields. All students who ride the bus in the morning will be temperature screened by a staff member upon arrival on campus.

Classroom spaces will be socially distanced whenever possible. Information on your student(s) schedule will be shared in late July/early August.
