

6th Grade Supply List 2020-2021

These are the basic supplies we believe students will need, that will not be impacted by the format school will take when we open. Please understand that as the State and District provide us with more information about how schools will be allowed to operate, this list may change. We will do our best to get any changes posted as soon as possible to do so.

PLEASE assume for now, that students will NOT be allowed to share resources (borrow pencils from each other, etc.).
