- h. To establish contracts or subcontracts for any of the Board's operations, provided that this right shall not be used for the purpose or intention of undermining the Union or of discriminating against its members. All work customarily performed by employees of the bargaining unit shall continue to be so performed unless the Board can show that it can be done more economically or expeditiously otherwise;
- i. To create job specifications and revise existing job specifications as deemed necessary and to ensure that related duties connected with departmental operations, whether enumerated in job descriptions or not, shall be performed by employees provided that, upon request, the Board agrees to negotiate with the Union regarding any significant impact which any such change may have on employees' wages, hours or other terms of employment;

Section 3.3

The Board agrees to deduct from the pay of bargaining unit members such uniformly required membership dues, initiation fees, or reinstatement fees as may be fixed by the Union provided that employees submit to the Board individual written authorizations for such deductions. Such deductions shall continue for the duration of the Agreement or any extension thereof provided that the Board has written authorization from the employees to make such deductions.

If employees work additional duties beyond their normally scheduled hours at the direction of the Superintendent or his/her designee, such as riding the school bus with a student or attending a field trip that lasts longer than the employee's normal schedule, the employee shall be paid at his/her hourly rate for such additional hours worked.

On scheduled delayed opening days and early dismissals, employees shall be paid for actual hours worked.

Section 6.7 - Postings

When new jobs, or job vacancies are created within the Union, the Superintendent or his/her designee shall post the job title, job description and location for a minimum of one (1) week and notify the Chapter President of such posting. Each employee who is interested will have the opportunity to apply for said opening(s). The Superintendent or his/her designee, shall consider internal applicants seeking to transfer, providing they are qualified and have relevant knowledge, experience and background. The HSA plan shall have the following attributes:

The Board will contribute fifty percent (50%) of the applicable HSA deductible amount. The Board's contribution toward the HSA deductible will be deposited into the HSA accounts in two (2) installments, made in September and February. The parties acknowledge that the Board's contribution toward the funding of the HSA plan is not an element of the underlying insurance plan, but rather relates to the manner in which the deductible shall be funded for active employees. The Board shall have no obligation to fund any portion of the HSA deductible for retirees or other individuals upon their separation from employment.

The Board shall make available a Health Reimbursement Arrangement (HRA) for any active employee who is precluded from participating in a Health Savings Account (HSA) because he/she receives Medicare and/or veterans' benefits. The annual maximum reimbursement by the Board for employees participating in the HRA shall not exceed the dollar amount of the Board's annual HSA contribution for employees enrolled in the HSA. The Board shall have no responsibility for any administrative and/or monthly costs associated with the set-up and/or administration of the HRA.

Section 2

Subject to the payment provisions described in Section 1 above, regular full-time employees shall be eligible for the health insurance plan offered by the Board for themselves and for their dependents, subject to any and all eligibility and enrollment requirements established by the insurance carrier(s).

The Board may change insurance administrators/carriers/plans or self-insure for any of the medical and/or dental insurance benefits described in this Article, provided that the Board determines that the overall level of benefits, when considered as a whole, are substantially comparable to the overall level of benefits in existence prior to such change. Whenever possible, the Board will provide the Union and members of the bargaining unit with at least thirty (30) days advance notice of the Board's intent to change carriers or self-insure.

Where financially feasible, the Board may also offer an alternative insurance plan to employees who are eligible for health insurance coverage. The Board shall have the right to determine the employee contribution percentage(s) for such plan(s). If an alternative plan is offered by the Board to employees in this bargaining unit, regular full-time employees may select either of the plans offered by the Board and pay the designated premium cost share for the plan they select.

Should any Federal statute or regulation pertaining to Internal Revenue Code §49801 be mandated to take effect during the term of this agreement triggering the imposition of an excise tax with respect to any of the contractually agreed upon insurance plans offered in the parties' collective bargaining agreement, the parties agree to commence mid-term negotiations to address the excise tax in accordance with MERA. Such negotiations shall be limited solely to the distribution of payment of the excise tax, health insurance, health insurance plan offerings and/or design, health insurance coverage, and premium cost share. No other provision of the collective bargaining agreement shall be subject to this reopener.

Section 8.2 – Dental Plan

The Board shall provide dental insurance coverage for regular full-time employees as defined in this Agreement and his/her eligible dependents. The Board shall pay the same percentage of the premium that it pays toward the health insurance plan. The remainder shall be paid by the employee. Regular part-time employees shall not be eligible for dental insurance benefits.

Section 8.3 – Life Insurance/AD&D

The Board shall provide group life insurance and accidental death and dismemberment (AD&D) coverage for regular full-time employees as defined in this Agreement for the employee only in the amount of twenty thousand dollars (\$20,000.00). Regular part-time employees shall not be eligible for group life insurance and accidental death and dismemberment (AD&D) coverage.

Section 8.4 - Plan Changes

The Board shall not be responsible for any plan changes or administrative requirements which may be imposed by any of the insurance companies providing benefits under this Agreement.

In the event of any substantial plan changes imposed by insurance carriers (i.e. premium costs, coverage limits, etc.), the parties agree that upon request, they shall negotiate over the impact of such changes.

Section 8.5 - Insurance Buyout Option

Full-time employees eligible for family and employee + one coverage may receive an annual insurance buyout of \$2,000 in lieu of health (medical and dental) insurance coverage provided under this Article, paid in two (2) installments (September and February). Employees who receive health or dental insurance coverage from the Bethany Board of Education through a spouse or parent are not eligible to receive the buyout option. Employees who are not employed for the full school year shall receive a prorated payment. Employees not employed as of January 1 shall not be eligible for such payment.

This request must be made in writing prior to June 30 of the school year preceding the school year in which payment is requested or upon initial employment. The availability of this benefit and the reinstatement of any insurance benefits are subject to the terms of the Board's insurance policies prevailing at the time the employee seeks payment in lieu of insurance or reinstatement and is contingent upon no additional cost being assessed against the Board as a result of an employee's exercise of his/her options under this section. At no time shall the Board be deemed a self-insurer.

Part-time employees are not eligible for this benefit.

ARTICLE IX
LEAVE PROVISIONS

Section 9.1 – Sick Leave

Sick leave is defined as absence from work because of personal illness or physical incapacity of the employee which is not determined to be a work-related injury or illness for which benefits are provided under the Workers' Compensation statutes.

Regular full-time employees as defined in this Agreement, shall accrue fifteen (15) days of sick leave with full pay each school year. Sick days may be taken in full day or half-day increments. Unused sick leave may be accumulated year to year up to a maximum of one hundred (100) days for use in subsequent years.

Regular part-time employees as defined in this agreement shall accrue ten (10) days of sick leave with full pay each school year. Unused sick leave may be accumulated year to year up to a maximum of fifty (50) days for use in subsequent years.

For any partial year of service, sick leave will be prorated at the rate of one (1) day for each calendar month worked, not to exceed ten (10) days. At the beginning of the next school year, the employee will be eligible for the sick accrual indicated above based on their employment status.

Up to five (5) days of the employee's accrued sick leave may be used for illness of the employee's spouse, parent, child, foster child or stepchild. Medical verification may be requested by the Superintendent or his/her designee.

Section 9.2 – Medical Certification

The Superintendent or his/her designee may require a health care provider certification for any sick leave of four (4) consecutive working days or when there is a pattern of sick day usage that is cause for suspicion of misuse, the Superintendent or his/her designee may request the employee to present a doctor's certification explaining the absence. The certification must state the expected duration of any absence.

Section 9.3 - Personal Leave

With approval from the Superintendent or his/her designee, all employees hired prior to January 1, shall be entitled to up to three (3) paid personal leave days for pressing personal business that cannot be transacted outside of working hours. Personal leave days shall not normally be granted the day before or the day following a school vacation and/or holiday. Personal day requests must be submitted forty-eight (48) hours prior to the date requested. Failure of the employee to provide such appropriate notification shall mean the forfeiture of pay for the requested period. Unused personal days cannot be accumulated from year to year. Employees hired after January 1 shall be eligible for pro-rated personal leave, consistent with their date of hire.

Section 9.4 - FMLA

The Board shall allow eligible employees leaves of absence without pay as required by the federal Family and Medical Leave Act of 1993 and Public Act No. 12-43 § 1, as each may be amended from time to time. Paid leave benefits (i.e. vacation and sick leave) will be utilized concurrently with FMLA leave, such that all paid leave is exhausted before the employee's FMLA leave becomes unpaid.

Section 9.5 - Jury Duty

Any employee required to report for jury duty shall be paid the difference between the per diem salary that he/she receives and any compensation received for jury duty. Employees who receive summons for jury duty must provide a copy of the jury summons to the Superintendent or his/her designee one week prior to date of jury duty. Jury duty leave will not be deducted from paid leave days. Payment will not be given until confirmation from the court is provided that the employee served.

Section 9.6 - Workers Compensation

Workers' Compensation, as distinguished from sick leave, shall mean paid leave given to an employee due to absence from duty caused by accident or injury that occurred while the employee was engaged in the performance of his/her duties. The Board of Education covers all employees with workers' compensation insurance, which pays an eligible employee a percentage of his/her earnings during the period of his/her absence. An employee on approved workers' compensation leave shall accrue seniority while on leave.

Section 9.7 - Bereavement

- a. In the event of the death of a member of an employee's immediate family, the employee shall be granted up to (5) five paid days off per occurrence. For purposes of this section, immediate family shall be defined to include the following: spouse, child, stepchild, grandchild, parent, any relative domiciled with the employee or stepparent or any relative or individual for whom the employee is the legal guardian.
- b. In the event of the death of an employee's sibling, grandparent or in-law, the employee shall be granted up to two paid days off per occurrence.
- c. The Superintendent, in his/her sole discretion, may grant additional bereavement days for deaths of persons who are not in the employee's immediate family. An employee may request personal leave to attend the funeral for any family member.

Section 9.8- Leave without Pay

Any employee with three (3) or more years of service may request a leave of absence without pay by making said request in writing to the Superintendent. The granting of an unpaid leave is subject to a recommendation of the Superintendent and approval of the Board and shall be limited to the following purposes:

- a. Catastrophic illness or injury of the employee, the employee's spouse or the employee's minor child, which lasts beyond the period of allowed sick leave specified above, provided such unpaid leave shall not exceed one (1) year.
- b. Child rearing during the post childbirth period after the employee's physician attests that her disability has ended and she is physically capable of resuming her regular duties without restriction. Said leave shall not exceed three (3) months.

Employees may not take unpaid leave without express prior permission from the Superintendent. Any unauthorized absence (regardless of the duration of such time taken or whether the absence is paid or unpaid) may result in disciplinary action, up to and including dismissal.

Section 9.9 – Holidays

- a. Full-time employees shall be eligible for the following paid holidays:

Labor Day
Thanksgiving Day
Day after Thanksgiving
Christmas Day
New Year's Day
Martin Luther King Day
President's Day
Memorial Day

Holidays shall be observed in accordance with the annual school calendar. If school is in session on one of these days, employees shall work on the holiday at their regular rate of pay and shall be granted a floating holiday.

- b. In order to qualify for holiday pay, an employee shall have worked on the regularly scheduled workday prior to and the next regularly scheduled workday following the holiday, unless the employee is on previously approved paid leave, as authorized, in writing, by the Superintendent.

ARTICLE X PROBATIONARY PERIOD/LAYOFFS

Section 10.1 – Probationary Period

The probationary period for all new employees in the bargaining unit shall be ninety (90) days worked, which may be extended up to an additional thirty (30) days worked, during which time the employees shall have no seniority rights. The Chapter President and the employee shall be notified in writing of any such extension of the probationary period. An employee may be disciplined up to and including termination of employment during the probationary period for any reason and shall have no recourse to the grievance procedure provided for in this Agreement. Upon satisfactory completion of the probationary period, an employee's seniority shall date back to the commencement of employment in the Union position.

Section 10.2 - Seniority

Seniority is defined as an employee's continuous length of service with the Board from the employee's most recent date of hire, regardless of hours worked except as provided for in Section 3.

Section 10.3 - Rehire

Employees who resign and are rehired within one (1) year from the date of resignation shall have credit for seniority up to the break in service restored.

An employee's seniority rights shall not accrue during any approved leave of absence other than leave taken due to a workers' compensation injury or any layoff of less than eighteen (18) months. In these instances, an employee's seniority shall be frozen at the amount accrued on the day prior to the leave and shall be reinstated if the employee returns to work at the end of the leave.

The Board shall prepare a seniority list of bargaining unit employees on an annual basis and provide said list to the Chapter President.

Section 10.4 - Layoff

In the event the Board reduces the bargaining unit workforce factors such as seniority, qualifications and performance shall be considered in making such a decision. The Board shall notify the affected employee(s) at least ten (10) working days before the effective date of the layoff.

In the event of a reduction in work force, the affected employee shall be offered the opportunity to displace the least senior employee who is in a position/assignment for which the affected employee is fully qualified to perform the work of the position. The affected less senior employee shall be laid off and placed on the recall list for the remainder of the recall period.

For the purposes of this Article, the Superintendent shall use the following criteria to decide whether a bargaining unit member is “fully qualified to perform the work of the position”:

- Evaluation of performance
- Special Skills (e.g. signing for hearing impaired students)
- Specialized training (e.g. training or certification in DTI for autistic students)
- Experience with the particular program involved or type of student
- Physical ability

Section 10.5 - Recall

Employees who are laid off in accordance with the provisions of this Article shall be placed on a recall list. Employees on the recall list will be given the opportunity for vacant positions for which they are qualified. Employees shall have these “recall rights” for a period of eighteen (18) months from the date of their layoff, unless they waive these rights in one of the ways described below.

The Superintendent shall notify the laid off employee of a vacancy by certified mail, priority mail or the equivalent at their last known address, when the vacancy arises. The laid off employee shall notify the Superintendent in writing if they are no longer available for reemployment. It is also the responsibility of the laid off employee to keep the Superintendent notified of a change of address.

In the event any laid off employee refuses to respond to an offer of recall to position, within seven (7) calendar days of the postmark date of the recall notice, or otherwise refuses to return to work when recalled, he/she will be removed from the recall list and will no longer be considered eligible for recall.

In the event of recall, within the-eighteen (18) month time limit, the employee shall have credit for seniority up to the break in service restored. Neither seniority nor other benefits shall accrue during layoff.

ARTICLE XI DISCIPLINE

Section 11.1

No employee shall be disciplined without just cause.

Section 11.2:

Nothing in this Section shall prohibit the Employer from bypassing progressive discipline when the nature of the offense requires and the failure to apply progressive discipline shall not in and of itself be cause for overturning the disciplinary action.

Section 11.3 - Interrogation

An employee who is being interrogated concerning an incident or action which may subject him/her to disciplinary action may request to have a Union Steward or Representative present.

Whenever practicable, the investigation, interrogation or discipline of employees shall be scheduled during the employee's work schedule.

Section 11.4

After a decision is made to impose a suspension or dismissal, the Superintendent or her/his designee will informally notify the Union of the contemplated discipline prior to imposing the discipline.

Section 11.5

Written notice of suspension or dismissal shall be sent to the employee by certified mail or an equivalent method or served in person. The Board will inform the Union of the suspension or dismissal in writing, if requested to do so by the employee.

Section 11.6

Grievances disputing suspensions or dismissal shall be filed directly at Step 2 of the grievance procedure.

ARTICLE XII
GRIEVANCE PROCEDURE

Section 12.1 - Definition

A grievance is hereby defined to be a complaint by an employee that his/her rights under the specific language of this Agreement have been violated and that, as to him/her, there has been a misinterpretation or misapplication of any provision of this Agreement. All grievances must advise the employer of the specific provisions claimed to have been violated, of the nature of the grievance, and the remedy requested.

Section 12.2 - Procedure

- A. LEVEL ONE – IMMEDIATE SUPERVISOR. Employees who have grievances are encouraged to attempt to work the matter out informally with the appropriate administrator. A grievance, in order to be valid, must be filed in writing with the aforementioned administrator, within ten (10) work days after the aggrieving action or after the employee knew, or should have known, of the act or condition on which the grievance is based. The aggrieved employee, union representative and the administrator shall meet in an effort to resolve the grievance. An employee filing a

grievance at this level shall be represented by a Union steward or other Union representative. The administrator shall respond, in writing, to the Grievant and the Union within ten work days after the meeting concerning the grievance.

- B. LEVEL TWO – SUPERINTENDENT OF SCHOOLS. In the event that the grievance is not resolved by the decision at Level 1, the Union may file a written grievance to the Superintendent of Schools with ten (10) work days after the decision at Level 1 or, if no decision is rendered within ten (10) work days of the meeting held at Level 1, the Union may file the grievance within twenty (20) work days from the meeting held at Level 1.

The Superintendent shall represent the administration at this level of the grievance procedure. Within ten (10) work days after receipt of the written grievance by the Superintendent, the Superintendent, or her/his designee, shall meet with the aggrieved person and a Union representative in an effort to resolve the grievance.

- C. LEVEL THREE – BOARD OF EDUCATION. In the event that the grievance is not resolved at Level Two, or in the event that no decision has been rendered within ten (10) work days of the meeting held at Level Two, the Union may file a written Level Three grievance with the Board. Such grievance shall be filed within five (5) work days of the decision by the Superintendent, or within ten (10) work days after the Union or grievant first met with the Superintendent, whichever is sooner.

Within twenty (20) work days after receiving the written grievance, the Board shall meet with the Union and/or the grievant for the purpose of resolving the grievance and shall render a decision within ten (10) work days of said Level Three meeting.

- D. LEVEL FOUR – IMPARTIAL ARBITRATION. In the event that the response at Level 3 does not resolve the grievance, or in the event no decision has been rendered within ten (10) days after the Level Three Meeting, then the Union shall have the right to file the grievance to the American Arbitration Association (AAA) or the American Dispute Resolution Center (ADRC) for final and binding arbitration pursuant to the rules and regulations of said Board. He/she shall be bound by and must comply with all terms of this Agreement and shall have no power to add to, subtract from, or in any way modify the provisions of this Agreement. The cost of arbitration shall be borne equally by both parties.
