GPA AND CLASS RANK

All courses in grades 9-12 with a letter grade of A-F are used in computing the student's GPA. The GPA that appears on the transcript is weighted (BVSD policy) and calculated based on the average of the grades from all unweighted and weighted courses. Class rank is not reported per BVSD policy.

Our School and Community

Arapahoe Ridge High School is located in Boulder, at the foothills of the Rocky Mountains in Northern Colorado. Boulder's dynamic community, of 107,125 residents, is committed to education, technology, the arts and recreation. Arapahoe Ridge High School provides a distinctive learning experience that produces talented graduates with the knowledge and skills essential for lifelong learning. Our alternative high school specializes in serving students who are identified as over-aged and under-credit with opportunities in career and technical courses and concurrent enrollment for juniors and seniors at the University of Colorado and Front Range Community College.
