

## **The Haverford School 2020-21 School Year Pledge**

As a member of the Haverford School family, I understand that my actions impact the broader community. I will follow the required steps to keep our campus healthy, safe, and well throughout the 2020-21 school year.

As a Haverford School parent/guardian, I recognize and commit to the following expectations:

1. I will adhere to updated norms and procedures at The Haverford School for the 2020-21 year. I understand these protocols are in place for the health and safety of my son and the broader community.
2. I will complete daily symptom surveillance with my son and log his health status in the Magnus Health App, as required, before departing for campus.
3. I will ensure my son has a mask each day for school.
4. I will not send my son to school if he is sick, or exhibiting symptoms including, but not limited to: fever, chills, cough, difficulty breathing, body aches, sore throat, nausea, diarrhea, fatigue, or a loss of taste/smell.
5. I will not send my son to school if he has been in the presence of a positive or presumed positive COVID-19 case.
6. If my son or someone in his immediate family is diagnosed with COVID-19, I will contact the School's health office and follow direction from his physician and local health authorities, as necessary.
7. I understand that the Haverford School's campus is closed to visitors, including parents/guardians (with the exception of extenuating circumstances) for the 2020-21 school year.
8. I will adhere to and abide by signage posted throughout the School.
9. I will support and encourage my son as he adapts to new campus norms and protocols.
10. I will support others as they face the realities of COVID-19, even if those realities are different from my own.

As a Haverford School student, I recognize and commit to the following expectations:

1. I will adhere to updated norms and procedures at The Haverford School for the 2020-21 year. I understand that these protocols are in place for the health and safety of me and the broader community.

2. I will complete daily symptom surveillance and share with my parent/guardian, who will log my health status in the Magnus Health App, as required. I will solicit help from my parent/guardian if I need assistance identifying symptoms.
3. I will bring and wear my mask every day to School.
4. I will adhere to hand washing protocols, and will wash my hands frequently with soap and warm water for at least 20 seconds throughout the day, and/or when asked of me.
5. I will adhere to physical distancing requirements and procedures throughout the day and while on campus.
6. I will not share materials or equipment, such as a phone, pens/pencils, or items assigned to me by the School. If I must share equipment, I will clean the materials or ask my teacher/an adult to help me clean the materials appropriately.
7. I will follow directions from all faculty and staff at the School as related to health, safety, or new norms.
8. I understand that the Haverford School's campus is closed to visitors (with the exception of any extenuating circumstances) for the 2020-21 school year.
9. I will adhere to and abide by signage posted throughout the School.
10. If I am feeling ill, I will alert my teacher and ask to see the School's nurse immediately.
11. I will support others as they face the realities of COVID-19, even if those realities are different from my own.

If every member of the School community works together, we will keep our campus safe and we will limit the spread of germs and COVID-19. We all play our part in keeping our community healthy.

If you have any questions about School procedures or protocols for the 2020-21 school year, please contact your son's Division Head.
