

BHISD "Returning to Excellence" Fall 2020 Plan

Frequently Asked Questions

1. Why are AP/PreAP classes not offered remotely?

The Texas Education Agency requires districts to offer enough remote learning courses to meet promotion and graduation requirements. Staffing priority must be given to courses required of all students. We are unable to provide all classes remotely.

2. What is the 4-6 hour time commitment for Remote Learning?

a) There will be specific times the student will need to be available during the school day.

B) We will provide parents with a specific schedule for their children once Commitment Forms are submitted and the Remote Learning classes are created; however, there will also be assignments that can be completed independently during that time period.

3. What if we do not have a computer for my child, but we would like to do remote learning?

Students that do not have a device will be issued a 740 chrome book by the district, and further information regarding devices and distribution will be sent to those committed to the remote option.

4. Are extracurricular activities offered to Remote Learners?

Administrators at each campus will decide this on a case-by-case basis. We have a required request form for parents to complete if this pertains to their child.

Preguntas frecuentes

1. ¿Por qué las clases AP / PreAP no se ofrecen de forma remota?

Se debe dar prioridad al personal a los cursos requeridos para todos los estudiantes. No podemos proporcionar todas las clases de forma remota.

2. ¿Cuál es el compromiso de tiempo de 4 a 6 horas para el aprendizaje remoto? Habrá momentos específicos durante el día escolar cuando los estudiantes deberán iniciar sesión. Proporcionaremos a los padres un horario específico para sus hijos una vez que se envíen todos los Formularios de compromiso y se creen las clases de Aprendizaje remoto. El requisito no será por 4-6 horas consecutivas.

3. ¿Se ofrecen actividades extracurriculares a los estudiantes remotos?

Los administradores de cada campus decidirán esto caso por caso. Tenemos un formulario de participación requerido para que los padres lo completen si esto pertenece a su hijo.
