

## 2020 BSD Parent Survey -- Remote Learning Experiences

The Parent Survey is for everyone who has a child in the Beaverton School District. This year, we would like to know about your experience with remote learning while schools have been closed. Our goal is to ensure that every member of our school community feels welcomed, valued, and informed, so it is important for all parent/guardians to complete the survey.

This survey is voluntary. You may opt out of completing the survey at any time. All survey data will be summarized so that each person who answers will remain anonymous. Nothing in the survey or District software will be used to identify you.

It is OK to go back and change your answer to a previous question, but you must finish the survey in one sitting.

Thanks in advance for participating in the Parent Survey!
