

ARCHBISHOP HOBAN HIGH SCHOOL

2020-2021 TRANSPORTATION

July 23, 2020

Dear Parents/Guardians,

The 2020-2 Transportation schedule is completed. If your student will be riding on one of the Hoban routes, please complete the Transportation Contract and return it to the Hoban Business Office by Aug. 10, 2020.

The COVID 19 Pandemic has presented many challenges as we prepare for the beginning of the school year. Due to the strict guidelines for sanitizing transportation, we have selected US Coach to take care of our busing needs at Archbishop Hoban High School this coming school year. To assure the safety of our student riders, students' temperatures will be taken every morning as the students board the bus. We are asking that parents stay on site until their student has had their temperature taken and boards the bus. Our bus drivers will arrive at their designated starting points 15 minutes earlier to assure timely student pick up.

Sincerely,

Susan Miles
