SAVE THE DATE - 2020-2021 Dance Placements

Hello Current and Future Stevenson Dancers!

The Dance Department will be holding a virtual placement for transfer students and/or reassessment for current students. Those already registered who believe their skill set has *significantly* improved over summer or since their initial assessment may also participate. We want to be sure everyone is placed appropriately for the 2020-2021 school year.

In order to keep you safe and comply with the CDC and Stevenson protocols, we are going to have you submit videos instead of holding an in person placement. In this video you will be performing teacher generated phrase work and NOT your own choreography.   In order to participate in the placement, you will need to join the Dance Placements 2020 Google Classroom, you will see posted two videos of teacher created phrase work. Everyone will need to learn and record video A. If you want to be considered for Dance 3 or 4 you will need to learn and record videos A and B.

Below there is a Google Classroom that you should join to view our videos and submit your video. We will share links to the music as well. The join code is mweimgh. The videos will post on Monday, August 3, 2020. You must submit your video no later than 11:59 p.m. on Thursday, August 6, 2020. Please choose a space that is large enough for you to perform movement full out. We suggest an 8' x 8' space. Your video should show your entire body the entire time. Also, be sure you are in a well lit space. You should be in proper dance attire with hair off the face. Please play the music so that we can assess your timing as well.

    Placement Phrase work videos will be released: Monday August 3, 2020
    Student Placement video/s due date: Thursday August 6, 2020 by 11:59PM
    Final Placements will be released the week of August 10, 2020

Please fill out the Google Form and join the Google classroom (found below) if you plan to participate.

Thank you,

The Dance Department
