

2020-2021 OUSD Instructional Models

The Orange Unified School District is prepared to pivot between the following instructional plans for the 2020-2021 school year. Orange Unified will determine the level for all students based on local, state and county health departments guidance. Parents will have the choice of 100% virtual options.

Phase 1

100% Virtual Learning

All students engaged in daily synchronous and asynchronous online instruction with teachers.

SB98 EC 43501 mandates the following minutes (can be a combination of live and assigned minutes):

Kinder: 180 minutes

1st-3rd: 230 minutes

4th-12th: 240 minutes

Phase 2: Modified In Seat Instruction

ELEMENTARY (TK-6):

SLICE allows families to pick from one of three options

-Full Day at school with no more than 20 students in classroom (50% with teacher and 50% with teacher trained paraprofessional)

-Half Day (AM or PM choice) in the classroom with student completing assigned work virtually

-100% Virtual Option: Taught by teachers at your elementary school (exact schedule to be released)

SECONDARY (6-12)

SLICE allows families to pick from one of two options

-Full Day at school with no more than 20 students in classroom. Number of days in classroom depends on students requests (could be 2-5 days)

-100% Virtual Option retaining enrollment status at your Secondary Site

Phase 3

Normal Operations Resume

Used if the state of California moves to Stage 4 and the Orange County Healthcare Agency states that conditions support in seat instruction without the need for social distancing
