Slide 5: Create your CCC account

Fill out the CCC application, hit submit.

You will be asked something along the lines of -do you wish to continue with your VVC application?- indicate &/or select Yes.

You will be redirected to the VVC application. Fill out the term you want to start at VVC. Hit submit.

\*You will essentially fill out two applications, a CCC application and a VVC one. The way you can be certain you have completed it correctly is by receiving an email from VVC thanking you for applying and indicating you will receive an email in 3-5 days with a VVC ID number.

At that point let your counselor know so you can be advised of the next step :)
