Contact: Assistant Superintendent

500 STUDENT HANDBOOK

Administrators shall provide staff and student handbooks at the commencement of each year that explain district procedures as well as individual school procedures, rules and regulations. Handbooks must be consistent with Board policies, district procedures and all school procedures and must contain all relevant policies as mandated by law. All staff and student handbooks shall receive approval from the Superintendent or his/her designee before being distributed.

POLICY ADOPTED: December 14, 2009
POLICY REVIEWED/REVISED: January 17, 2017; May 18, 2020
Monitoring Method: Administrative Review
Monitoring Frequency: Once every three years
