DURING EVEN THE BEST OF TIMES, PROVIDING YOUR FAMILY WITH PROPER NUTRITION CAN BE A CHALLENGE. THESE ARE UNPRECEDENTED TIMES.

THE HAVERFORD HELPING NEIGHBORS COVID-19 RELIEF FUND:

The Haverford Township School District Education Foundation (HTSDEF) launched this rapid relief fund to support district students and their families who have experienced recent financial challenges.

HOW TO ACCESS SUPPORT:

HTSDEF is partnering with the school district social workers, who are closely connected with students and families. If you have family needs -- particularly related to having adequate food, groceries and supplies to support your household and children -- please contact them directly: **Jocelyn Drucis** (jdrucis@haverfordsd.net) and **Kathleen McAndrews** (kmcandrews@haverfordsd.net).

After understanding your needs, the social workers have grocery gift cards they can distribute directly to you. Your participation in this relief fund will be held in strictest confidence.

TO LEARN MORE AND TO HELP:

Please visit the HTSDEF website at www.haverfordedfoundation.org or the school district website at www.haverford.k12.pa.us.

HTSDEF has been raising donations for this effort since May, and will continue to collect money to support our school district community's families in need.
