

University Prep Athletics 2020-2021 Update

General Information: Thank you in advance for your support of University Prep and our athletic program. On Tuesday July 21st, the WIAA announced a revised four season Upper School sports calendar for the 2020-2021 school year. More detailed information on the revised calendar and the four seasons matrix can be found on the [WIAA website](#), which includes tentative dates. University Prep will continue to work with the WIAA, our leagues, our district, our community partners, and public health officials for a safe return to play for our 6-12 program. We anticipate more information to be shared in the coming weeks via the WIAA and will continue to update our Pumas on the latest information as we approach the beginning of the school year. If you have any questions please reach out to Da'Mon Perry dperry@universityprep.org (Middle School) or Rebecca Moe rmoe@universityprep.org (Upper School).

Registration: Registration for athletics has been suspended until we know more regarding our 6-12 athletic programming for the 2020-2021 school year.
