

# West Iredell High School

213 Warrior Drive  
Statesville, North Carolina 28625

*From the desk of the Principal*

Good Evening,

I hope everyone is staying safe, healthy, and enjoying the summer break. As you know Governor Cooper provided guidance for the reopening of schools for 2020-2021 academic school year this past week. He announced that schools will operate on Plan B which is a combination of face-to-face learning and remote online learning.

At West Iredell High, we are working diligently to develop a plan where every student will get two days of face-to-face learning and three days of remote online learning. As soon as I have a finalized plan I will get it to you. There are several pieces of the puzzle we have to consider such as bussing, social distancing, health screening process, cleaning protocols, etc.

Please understand that the remote learning experience this Fall 2020 will be different from Spring 2020. All teachers will be using the same online learning platform - Canvas. Your child's lessons, videos, resources, etc. will be housed through Canvas so they can easily locate classes and assignments. You can take a moment to check out what Canvas will offer you and your student by watching [this video](#).

Finally, I want you to know that West Iredell High is committed to providing a safe learning environment for all of our students. Please be patient as we are working through the many details to get school opened on August 17th. We are excited about getting our Warriors back on campus.

If you have any questions, please contact the school at 704-873-2181 or email me at [ellyn\\_gaither@iss.k12.nc.us](mailto:ellyn_gaither@iss.k12.nc.us).

Thanks and have a great evening!

Ellyn J. Gaither  
Principal  
West Iredell High School
