Hello Bohn Shark Families,

As we gear up for the start of the 2020-2021 season I want to start off by expressing how excited I am to start my journey as the new Principal of Bohn Elementary. I wish I was going to see everyone’s smiling faces in August, but keeping our students, teachers and community safe are of the utmost importance. I know these are stressful times for our families and students, and I want to thank you for making your students education a top priority. The Bohn Elementary staff will continue to provide quality instruction, and will do everything we can to help students learn and find connection through these uncertain times.

Starting Tuesday, August 4<sup>th</sup> we will be asking students to come onto campus to pick up their textbooks and supplies for the start of the new school year. We will ensure social distancing and mask wearing and ask that students come with one parent/guardian to limit social interaction. We ask that all families park and follow the signage on campus. Students and their one guardian will pick up all textbooks from the library.

Students will be assigned a day and time based on their teacher. Teacher assignments will be made available to view on the Parent Portal on Monday, August 3<sup>rd</sup>. **If you have not already done so, please make sure to finish the data confirmation on our school website under the parent/student information tab.**

The schedule with times is listed below and is also available on our Facebook page, Twitter, and website. Please note that families with multiple students in different grade levels will be able to pick up all textbooks:

Pick Up Day	8a-9a	9a-10a	10a-11a	11a-12p	12:30p-1:30p	1:30p-2p
Tuesday	Goreman	Bishop	Foxworth	Link	Casados	Shimozono
Wednesday	Mehlhaff	Stutz	Bailey	Brown/Delucci	Carpenter	Sandoval
Thursday	Jones	Collins	Smith	Hendrick	Wilkinson	Selig

We understand some families might not have access to a computer and/or internet. The Tracy Unified School District is working to get all sites laptops to distribute. Until we are able to get families the needed technology for virtual learning, it is important for students to have textbooks and consumables. Please reach out if you are unable to get your textbooks on your scheduled day/time.

Thank you for your patience and understanding during these times. We are all in this together so please reach out if you need and support.

Sincerely,

Michael Burstein
