

As a Multi-Academy Trust, we believe in establishing partnerships with the wider local area to create diverse and innovative opportunities for our pupils. Your role as Enrichment Apprentice will help to support this. We are renowned for our innovative use of technology to improve progress, accelerate learning and streamline processes for all staff.

Within Shireland Collegiate Academy Trust, we have currently three primary and three secondary schools. We are led and supported by three-times Ofsted Outstanding school Shireland Collegiate Academy. Our school programmes offer exceptional learning experiences for all pupils. Our enrichment activities engage pupils in their learning, excite their curiosity and inspire ideas for the future. The important experiences and insight that our pupils receive is immeasurable.

Apprentice Enrichment Officer

- To work alongside the Family and Community Engagement Lead to establish a full integrated programme linked to school curriculum.
- To support the delivery and monitoring of the Passport to Success plan.
- Set up and run arts-based activities, community/environmental projects, residential activities, outdoor education and sporting activities across the Trust schools.
- Coordinate collaborative enrichment events across the Trust schools.
