

The Brewster Covenant: OUR COVID CODE OF CONDUCT

Faculty, staff, students, parents, and visitors are expected to act in a manner that demonstrates respect and consideration for those in the Brewster community, consistent with this Covenant.

THOSE LIVING, LEARNING, AND WORKING IN THE BREWSTER COMMUNITY WILL

Adhere to prescribed testing, quarantine requirements, and routine screenings;

Participate in training to understand the safety precautions that will guide our behavior during the coming year;

Follow guidelines for mask wearing and social distancing on and off campus;

Maintain healthy standards of living (including but not limited to practicing good hygiene and keeping our spaces clean) to minimize the spread;

Report all symptoms of COVID-19 to a designated health professional at Brewster.

BREWSTER ACADEMY WILL

Maintain open lines of communication with all constituencies as we continue to manage the unfolding COVID-19 crisis. As we learn more and continue to monitor health guidance, we will adapt policies accordingly.

BREWSTER PARENTS WILL

Actively support this covenant and future additional measures by regularly encouraging their Brewster student to comply;

Communicate any/all concerns to their Brewster student's advisor.

Please **click here** to acknowledge you have read and agree to abide by this Covenant.

Despite meticulous planning, it is impossible to eliminate all risk in the face of the COVID-19 pandemic, and the plans described in this Back to Brewster plan recognize that reality. By working together in close partnership, we can reduce risk to ourselves and our community.
