RE: 2020/2021 Aid in Lieu of Transportation

Dear Sir/Madam,

Please be informed that transportation to the private school your child(ren) will be attending cannot be provided for the 2020/2021 school year as no bids were received for the routes.

Enclosed is the State of New Jersey B7T form(s), which is a request for payment of transportation aid for private school students. It is the parent/guardian's responsibility to completely fill out the form(s) and return to Watchung Hills Regional High School District, to the attention of Transportation.

B7T forms submission dates (please do not mail out both forms at once):

First Semester Form (blue)—Now through December 18, 2020. (First semester forms received after this date shall be processed with the 2nd semester B7T forms.)

Second Semester Form (pink): January through June 1, 2021. B7T forms are also available on-line at www.whrhs.org by clicking *Transportation* under the *District* roll down menu.

COVID19 NOTE

Please note that the Watchung Hills Regional High School will not reimburse/pay AIL amounts unless there is confirmed in-school programming at the non-public schools. Virtual school days do not factor into AIL calculations.

No payment can or will be made without a completed B7T form returned to this office. You can expect to receive your first and second semester reimbursement checks by mid-February and mid-July, 2021, respectively. No other notice will be given regarding Aid in Lieu of Transportation for the 2020/2021 school year. Should you have any questions or concerns, please feel free to contact me at jtriantafyllou@whrhs.org. Thank you for your cooperation.

Very truly yours,

Janet Triantafyllou

Transportation Coordinator
