The purpose of PeopleFest! is to bring residents together in celebration and awareness of the many cultures that make Eden Prairie great. Our community-wide celebration is presented in collaboration by the City of Eden Prairie, Eden Prairie Schools Community Education, Eden Prairie Community Foundation, Interfaith Circle, Academy for Young Leaders, Eden Prairie Human Rights and Diversity Commission, Eden Prairie Chinese Association, India Association of MN, Eden Prairie TreeHouse and others. PeopleFest! is made possible by the voters of Minnesota through a grant from the Minnesota State Arts Board, thanks to a legislative appropriation from the arts and cultural heritage fund.
