**X. Parents as Teachers Records**

Beginning in July 2019, Affiliates are required to fully use the Parents as Teachers Records through one or more of the following methods: PAT Penelope Data system that has a licensing agreement with PATNC and contains all items in the PAT Records Program-specific forms or an affiliate-specific database that contains all items in the PAT Records Printed or fillable PAT Records (2017) Some of the records allow acceptable alternatives. See this document for a list.

1. Please indicate below the primary method your affiliate used to capture the information for each of the Parents as Teachers Records: Note: The Participation Agreement and Consent for Services and the Permission to Exchange Information Record are not included below because your affiliate's own forms may be substituted for these records. Click or hover over Question Mark icons for more information.

**Individual Renewal Reminder** The current renewal price for a full year model certified parent educator is \$200.00 (capped at 25 on cycle parent educators per Affiliate with a paid Affiliation Fee Starting July 1, 2020). The current renewal price for Curriculum Subscribers (CS) is \$265.00 per person (CSs do not count towards the cap of 25 in an affiliate). CSs do not report their service delivery data on the APR; they will need to complete the Individual Service Report (ISR) that is available in their individual portal accounts prior to renewing. The Foundational 2 current subscription fee is \$55.00.

**Affiliation Fees Due** Affiliates who have not yet paid their annual affiliation fee must have done so before September 30, 2020. This fee can be paid by the affiliate web administrator through the Affiliate Administrator tab on the portal. The annual affiliate fee starting July 1, 2020 is \$1850.00.
