

Earth Friendly & Waste Conscious Designed to be wasted smartly

Our relentless search for the perfect compostable packaging led us to create our own custom PLA-lined compostable lunch trays! Our utensils are compostable, too! We also use 100% post-consumer recycled containers for our cold entrées.

We take care of lunch so you don't have to.

Hard to believe . . .

it's been over 15 years

since we quit our jobs and took the leap on Choicelunch.

Our recipe is simple: delivering honest foods kids love and parents can feel good about, while empowering kids to try new foods and make healthy choices. Our goal is to simplify the lives of busy parents by taking lunch off their plate.

We thank you for the trust you put in us every school day, and for choosing Choicelunch to serve your families.

Your dedicated lunch dads,
