

POWERSCHOOL Creating a NEW Parent Account

PowerSchool is a website which allows parents and students to access grades and attendance online, anytime – in real time! You will need the letter from your child’s school (one letter per child) containing his or her unique access id and password from a letter sent home at the beginning of school. If you still need this Access ID and Password, please contact **Tonya Sartin** in the Helpdesk at tonya.sartin@maryville-schools.org.

Setting up a new parent account in PowerSchool

1. Open your web browser and go to <http://ps.maryvillecityschools.k12.tn.us>
2. Click “Create Account.”
3. Click “Create Account” again.
4. Enter your information at the top of the screen: under “Create Parent/Guardian Account.”

Note: you cannot use your email address as your “desired user name” and passwords are case-sensitive.

Create Parent Account

Access Password

Relationship -- Choose

5. When you have entered all the information for your child or children, press the enter button at the lower right-hand corner of the screen.

*If the user name you’ve selected is already in use, follow the prompts on the screen to select alternates.

Once you’ve completed the process, you will see a screen that says--- Thank you for registering with Maryville City School’s PowerSchool portal!
