

USDA’s Smart Snacks in school standards are practical, science-based nutrition standards for all foods and beverages sold or served to students during the school day. The following list of foods meet the standards for all grade levels as of June 1<sup>st</sup>, 2019. This list is up to date to the best of our knowledge; however, product formulation changes frequently without notice. This list is not all inclusive. Additional items may be used if identified as compliant by running the nutritional information through the Smart Snacks Calculator. If you have additional questions, please contact Kim Franta at (952) 556-6151.
